Product overview

The White Military Belt with Neutral Metal Buckle is a white polyamide belt used as part of the Divisa Estiva of the Marina Militare. It is designed for naval personnel and for anyone who needs a clean, formal white belt for duty or tactical dress.

Definition: a durable white belt made from high-quality polyamide fiber with a neutral metal buckle and adjustable clamp. This tactical-style, duty-ready belt combines a refined look with practical durability for maritime use.

Main features

Simple, reliable construction and dimensions designed to match summer naval uniform needs.

- **Material:** High-quality polyamide (polyamide fiber) with a refined white finish.
- **Buckle and keeper:** Neutral metal buckle and pass-through keeper for a sober appearance and strength.
- **Adjustable clamp:** Length-adjustment clamp for a customized fit.
- **Dimensions:** 4 cm height and 120 cm length.
- **Designed for uniform use:** Adopted for the Divisa Estiva of the Marina Militare and suitable for duty or tactical dress requiring a white belt.

How to use / When it’s useful

Wear this belt as part of the summer naval uniform or anytime a white, formal belt is required for duty or ceremonial use. It is also suitable for military surplus collectors and for uniforms that need a neat, low-profile white belt.

Quick answer: use it with the Divisa Estiva or any duty outfit that specifies a white belt. In most cases, the 120 cm length and adjustable clamp fit a wide range of waist sizes, making it practical for daily onboard activities and formal wear.

Care and notes

Basic care keeps the belt looking sharp and extends its service life in maritime environments.

- Wipe clean with a damp cloth; allow to air dry completely.
- After exposure to saltwater, rinse the metal parts and buckle with fresh water and dry thoroughly.
- Avoid strong solvents or abrasive cleaners that can damage the fiber or metal finish.
- Store flat or hung to prevent creasing; keep away from prolonged heat or direct sunlight.

FAQ

Q: What are the belt dimensions?

A: The belt measures 4 cm in height and 120 cm in length. The length is adjustable using the clamp for a personalized fit.

Q: What material is the belt made from?

A: The belt is made from high-quality polyamide fiber, chosen for its durability and clean white appearance suitable for naval use.

Q: Is the buckle adjustable?

A: Yes. The belt uses a metal clamp for length adjustment, allowing you to set a secure, comfortable fit.

Q: Can I use this belt for everyday wear?

A: Yes. It is designed for robust daily use, especially in maritime or duty environments, while maintaining a formal look.

Q: Is this the belt used by the Marina Militare?

A: This belt is the white belt adopted for the Divisa Estiva of the Marina Militare, reflecting the uniform’s traditional and professional appearance.

Q: Are other sizes or colors available?

A: The current item is offered in the stated dimensions (4 cm x 120 cm) and white color. The adjustable clamp allows it to fit a variety of waist sizes.
