Product overview

The Crest Carabinieri Tutela Forestale Ambientale Agroalimentare is a licensed enamel metal

crest for collectors, law-enforcement personnel, and supporters of environmental protection units. It is intended for display, uniform presentation, or as a ceremonial emblem for those connected to or interested in policing, duty, tactical, and military surplus items.

Definition: This is an officially licensed enameled metal crest bearing the symbols of the Carabinieri Environmental, Forestry and Agri-food Protection Command.

Main features

Distinctive design and durable construction that reflect the unit’s symbols and authority.

- **Material:** Enameled metal for long-lasting finish and resistance.
- **Design:** Shaped shield with a stylized oak, an eagle with spread wings clutching two crossed axes, and the Carabinieri grenade on a green field.
- **Inscription:** Red border with gold uppercase lettering: "COMANDO UNITA' TUTELA FORESTALE AMBIENTALE E AGROALIMENTARE CARABINIERI".
- **Size:** 17 x 22 cm, easily visible when displayed.
- **Licensed product:** Produced under commercial license to ensure authenticity and official standards.

How to use / When it’s useful

This crest is suitable for display on plaques, in offices, or as part of ceremonial presentations; it can also be included with tactical or police memorabilia collections in military surplus stores. Use gentle mounting methods suitable for enameled metal to avoid damage.

Quick answer: It is best used as a display or ceremonial emblem rather than for rugged field use. In most cases, buyers choose it for presentation, collection, or official recognition purposes.

Care and notes

Basic care preserves the finish and lettering; handle with care to maintain appearance.
