Product short description:

The Numero 4 Cappello Alpino Norvegese is an alpine-style wool hat for outdoor enthusiasts and everyday winter wear. Combining traditional mountain-inspired details with contemporary lines, it delivers reliable warmth and comfortable wear in cold conditions.

- **Material:** High-quality wool that provides warmth and a soft feel.
- **Use:** Suitable for cold-weather activities, hiking, and daily urban wear.
- **Design:** Mountain-inspired silhouette adds a touch of rustic elegance to your wardrobe.
- **Colours & Fit:** Offered in natural shades with a versatile fit that pairs easily with outerwear.

Product description:

Product overview

The Numero 4 Cappello Alpino Norvegese is a small gold metal emblem made for Alpini and Norvegese hats, aimed at collectors, uniform restorers, and anyone seeking an authentic regimental detail. It is specifically styled for the 4° Reggimento Alpini Paracadutisti Monte Cervino.

Definition: a 4-shaped gold metal badge designed to mount at the centre of the tondino on Alpini or Norvegese hat badges. Suitable for military surplus, tactical, duty, and police-style use or display.

Main features

Compact, durable and designed to match the center of the hat badge; this emblem balances authenticity and easy fitting.

- **Material:** gold-coloured metal for long-lasting appearance and strength.
- **Regimental design:** shaped as the identifying number for the 4° Reggimento Alpini Paracadutisti Monte Cervino.
- **Easy attachment:** small folding tabs on each end allow simple mechanical fixing without sewing.
- **Exact fit:** 8 mm height x 5 mm width, sized to sit on the tondino of Alpini and Norvegese hat emblems.
- **Weather resistance:** metal is treated to resist oxidation and everyday wear.
- **Compatibility:** made for Alpini and Norvegese hats; also usable on similar-style headgear with care.

How to use / When it’s useful

To fit the number, position it at the centre of the tondino, then fold the small tabs at the ends until they align with the mounting points on the hat badge. No special tools are required for typical installations.

Quick answer: fold the tabs into place and press gently to secure. In most cases, installation takes only a few minutes and the emblem stays firmly in place for normal wear.

Care and notes

Basic care will keep the emblem looking its best while preserving the hat. Follow these simple guidelines:

- Avoid harsh chemicals or abrasive cleaners; wipe with a soft, dry or slightly damp cloth.
- Fold the tabs carefully to avoid bending the emblem or the hat badge; small pliers can help if needed but are not required.
- Although treated to resist oxidation, avoid prolonged exposure to heavy salt spray or corrosive environments.
- Limited availability: check stock before purchasing if you need multiple items for a uniform set.

FAQ

Q: Is this number compatible with all Alpini and Norvegese hats?

A: Yes, it is designed to fit the centre tondino of standard Alpini and Norvegese hat badges, but always check the badge opening and scale before fitting.

Q: How do I apply the number to my hat?

A: Position the number on the tondino, fold the small tabs at each end toward the mounting points and press to secure. No sewing is required for standard installations.

Q: Will the gold metal oxidize over time?

A: The metal is treated to resist oxidation and maintain its shine under normal conditions; avoid harsh cleaners and extreme environments to prolong the finish.

Q: What are the exact dimensions of the emblem?

A: The number measures 8 mm in height and 5 mm in width, sized for the central area of Alpini and Norvegese hat badges.

Q: Can I use this number on other types of hats?

A: It is specifically made for Alpini and Norvegese styles but can be adapted to other hats with a similar badge area if you plan carefully and check fit.

Q: Do I need special tools to fit the emblem?

A: No special tools are required for most fits. Small pliers can help fold tabs more precisely, but careful hand folding is usually sufficient.

Tip: Choose the correct emblem size and check the tondino dimensions before purchase; consider browsing related Alpini and Norvegese badge parts in our military surplus and tactical accessories section to complete a matched set.
