Product overview

The Nucleo Radiomobile Carabinieri shoulder patch is an official embroidered shoulder badge for members of the Arma dei Carabinieri and authorised collectors. It is designed for duty uniforms and polo shirts to show unit identity and operational affiliation.

Definition: a shaped, embroidered shoulder patch featuring the running gazelle and grenade symbol of the Nucleo Radiomobile Carabinieri, with a velcro backing for easy attachment. Available through Tutto Militare for authorised personnel and licensed collectors. Keywords: tactical patch, military surplus, police insignia.

Main features

High-quality, detailed embroidery and a secure velcro backing make this patch suitable for everyday uniform use and display.

- Shield-shaped embroidered patch with red background and yellow embroidered border
- Central running gazelle above a silver grenade and a gold lightning bolt motif
- Upper embroidered text: NUCLEO RADIOMOBILE CARABINIERI in yellow thread
- Available in two sizes: medium 7 cm x 6 cm (for Polo) and large 9 cm x 7.5 cm (for ordinary uniform)
- Velcro rear for quick attachment and removal
- Produced with attention to detail and durability for duty use

How to use / When it’s useful

The patch attaches quickly to uniform sleeves using the velcro backing; select the medium size for Polo shirts and the large size for the standard uniform jacket. It identifies unit membership and supports formal and operational dress on duty.

Quick answer: apply with the velcro backing to the sleeve or designated uniform area. In most cases, members register on Tutto Militare, provide proof of service, then choose size and place the order; authorised collectors must supply a prefettizia licence under art. 28 TULPS.

Care and notes

Basic care helps maintain appearance and attachment reliability; follow these simple handling tips and respect the item’s reserved status.

- Remove patch before machine washing or drying the garment when possible to protect embroidery and velcro
- Avoid direct ironing on the patch; press around it if needed
- Sale is reserved to Arma dei Carabinieri personnel and authorised collectors with a prefettizia licence
- Purchase requires account registration and submission of identification or service documentation

FAQ

Q: Who can buy the Nucleo Radiomobile Carabinieri patch?

A: The patch is reserved for Arma dei Carabinieri personnel. Collectors may buy it if they present a prefettizia licence under art. 28 TULPS.

Q: What sizes are available?

A: Two sizes: medium 7 cm x 6 cm (recommended for the Polo) and large 9 cm x 7.5 cm (recommended for the ordinary uniform jacket).

Q: How do I prove my eligibility to purchase?

A: During registration you must upload a copy of your service ID or a service certificate, or indicate your current command/caserma. Collectors upload the prefettizia licence.

Q: How is the patch attached to the uniform?

A: The patch has a velcro backing for secure, removable attachment to the uniform sleeve or designated area without damaging fabric.

Q: Can I have the patch shipped to my barracks?

A: Yes. Once your account is authorised and the order confirmed, delivery can be made to the address you provide, including a barracks address where permitted.

Q: Where can I find price and availability?

A: Price varies by size and current stock. Check the product page on Tutto Militare for up-to-date pricing and delivery times.

Tip: Choose the medium size for Polo shirts and the large size for the uniform jacket; verify your documentation before ordering and browse related tactical and police insignia on Tutto Militare to complete your uniform set.
