### Product overview

The Gradi Manica Sergente Aeronautica Militare are a pair of sleeve insignia made for members of the Aeronautica Militare, intended for ordinary uniform use. They show the rank and offer a

professional, duty-ready appearance for military, tactical, and military surplus collectors.

Definition: These are metal gold gallone sleeve ranks (pair) designed to be worn on the standard service uniform by personnel of the Aeronautica Militare.

**Main features**

Clear, durable rank insignia made to the size and design used by the Aeronautica Militare.

- **Material:** Gold metal gallone with blue underlay and a centered blue stripe.
- **Design:** Two metal gallone strips, widths 2.5 cm and 1 cm, separated by a downward-pointing blue stripe.
- **Size:** 3.7 cm height x 5.6 cm width (pair).
- **Intended use:** For ordinary service uniform wear; suitable for duty, tactical display, and official dress.
- **Restricted sale:** Reserved to Aeronautica Militare personnel; sale requires ID verification or delivery to the listed barracks location.

**How to use / When it’s useful**

Quick answer: Wear these on the uniform sleeve where your unit regulations specify rank placement. They identify the wearer’s rank at a glance and complete the formal look of the ordinary service uniform.

In most cases, these ranks are used during duty, inspections, and official events where clear rank identification is required. Collectors should note the specific purchase requirements before ordering.

**Care and notes**

Basic care will keep the metal gallone and blue fabric looking correct while keeping the insignia suitable for uniform use.

- Store flat and dry to prevent bending or discoloration.
- Clean gently with a soft cloth; avoid harsh chemicals that could damage the metal finish or fabric backing.
- Sale restricted: proof of Aeronautica Militare membership is required, or indicate barracks delivery address at registration.
- Collectors must send a copy of the prefettizia license under art. 28 TULPS to complete purchase.
