Product overview

The Borsa Tactical Tasca Porta Documenti OD Green by Openland is a compact tactical document pouch designed for military, police, security personnel and outdoor enthusiasts who need organised storage for papers and small tools. It is a durable, nylon carry case for documents and essential accessories.

Definition: a tactical document pouch is a compact organiser with pockets and a removable ring binder for carrying A4-sized documents, ID and writing tools. The pouch is olive drab (OD Green), lightweight and built for field or daily duty use.

Main features

Well organised inside and practical outside, this pouch balances durability with quick access for duty and outdoor use.

- **Material:** high-quality nylon in OD Green (Olive Drab) for wear and weather resistance.
- **Internal organisation:** dedicated slots for notepads, pens and highlighters.
- **Removable 4-ring metal padfolio:** practical for managing documents in order.
- **External pockets:** zippered pocket for quick-access items.
- **Customisable velcro:** loop area for patches, rank or unit IDs.
- **ID/rank compartment:** clear or dedicated slot for immediate identification.
- **Size & weight:** 37 cm width x 28.5 cm height x 4 cm thickness; weight 805 grams.

How to use / When it’s useful

Use this pouch as a field document organiser, a duty kit for police or military staff, or a practical folder for outdoor activities like hiking and camping. It fits A4 documents and slips easily into larger backpacks for transport.

Quick answer: carry maps, reports, ID and writing tools in one compact, organised case. In most cases, the pouch works well for both professional duty use and everyday civilian needs where organised document storage is required.

Care and notes

Simple care keeps the pouch functional and tidy for prolonged use in demanding conditions.

- Surface-clean with a damp cloth and mild soap; air dry completely before storage.
- Do not machine wash or tumble dry to preserve zippers and velcro.
- Material is water-resistant but not fully waterproof—avoid prolonged submersion or heavy rain without extra protection.
- Check velcro areas regularly for debris to maintain patch adhesion.

FAQ

Q: What are the exact dimensions of the pouch?

A: The dimensions are 37 cm width x 28.5 cm height x 4 cm thickness, sized to hold A4 documents and related accessories.

Q: Is the 4-ring binder shown in photos included?

A: Yes, the pouch includes a removable metal 4-ring padfolio for organising documents and notes.

Q: Is the pouch fully waterproof?

A: No, the nylon material is water-resistant and offers good protection against light moisture, but it is not fully waterproof.

Q: Can I attach my own patches to the velcro area?

A: Yes, the external velcro panel is designed for personalised patches, rank tabs or identification symbols.

Q: Is this product suitable for civilian daily use?

A: Absolutely. While built for tactical and duty use, its compact, organised design also suits everyday civilian needs like commuting or travel.

Q: Can I buy these in bulk for institutional or company supply?

A: Bulk orders are typically available; contact your supplier or retailer to discuss quantities, pricing and delivery options.

Tip: Choose the right size and variant for your role—check dimensions and internal layout before ordering, and browse related tactical organisers and document pouches to complete your kit.
