Product short description:

Captain Gala Rank Set in Plastic — lightweight decorative insignia ideal for nautical-themed parties, costumes and role play. Suitable for adults and children who want a complete captain look.

- **Material:** Plastic construction that is lightweight and durable.
- **Contents:** Includes detailed rank badges and shoulder insignia to enhance a captain costume.
- **Application:** Easy to attach to uniforms, jackets or costume fabrics; suitable for quick changes.
- **Use:** Recommended for themed parties, school plays, parades and photo shoots.

Product description:

Product overview

The **Set Gradi Gala Capitano in Plastica** is a pre-assembled dress rank set for captains and officers who need a clean, professional look for uniforms and formal wear. It includes sleeve stripes, lower rank bars (travette ufficiali inferiori / badge holders) and collar stars, all fitted as one unit.

Definition: a single-piece plastic dress insignia set designed for use on formal uniforms. This item is suitable for ceremonial, duty or military surplus use and may be of interest to police and tactical outfitters. Limited availability is noted; stock can be in high demand.

Main features

Practical and straightforward features for a polished uniform appearance.

- **Durable plastic construction** — built to resist normal wear and keep a neat appearance.
- **Complete set** — sleeve ranks, lower official bars (badge holders) and collar stars included.
- **Elegant design** — collar stars and lower bars add a formal touch to officer attire.
- **Easy to apply** — parts are designed for quick fitting with clear instructions included.
- **Non-separable unit** — the set is supplied as one piece to keep all elements in place.
- **Cost-effective** — quality finish at a practical price point for uniform supply or military surplus sales.

How to use / When it’s useful

Quick answer: apply the set to the uniform sleeves and collar following the included instructions; it is ready to use as supplied. The components are not intended to be separated or sold individually.

In most cases, this set is used for formal events, ceremonies, duty appearance and as a replacement or stock item for tactical, police or military surplus suppliers. It is suitable when a consistent, ready-to-fit insignia set is required.

Care and notes

Basic care keeps the set looking its best and preserves fit.

- Wipe clean with a soft, damp cloth; avoid abrasive cleaners and strong solvents.
- Store flat or on a uniform to avoid bending the plastic elements.
- Do not attempt to disassemble the set — it is designed to remain as a single piece.
- Check fit on your uniform sleeve sizes before final use; contact seller for variant options if unsure.

FAQ

Q: Is this set suitable for all sleeve sizes?

A: The set is designed to fit a range of sleeve sizes and should suit most standard uniforms. Verify fit on your specific garment before permanent attachment.

Q: Is the plastic material durable?

A: Yes. The plastic used is chosen for resistance to everyday wear and to maintain appearance over time with normal care.

Q: Can I buy individual components separately?

A: No. The set is non-separable and supplied as a single unit, so components are not sold individually.

Q: How do I apply the sleeve ranks and collar stars?

A: The set includes simple instructions for fitting. Application is intended to be quick and does not require specialized tools in most cases.

Q: Is this set appropriate for formal ceremonies?

A: Yes. The design is intended for formal and ceremonial use, offering a neat, uniform appearance for officers and captains.

Q: What should I avoid when caring for the set?

A: Avoid harsh solvents, excessive heat, and forcing parts apart. Store flat to prevent deformation and clean gently with a damp cloth.

Tip: Choose the correct variant for your uniform sleeve size and check related rank and accessory items in the same category to complete your dress uniform without missing parts.
