Product overview

The Tubolari Plastica Neri Maggiore Esercito are a pair of black plastic rank tubes designed for wear on an Esercito jacket. They are intended for personnel of the Esercito Italiano who need a

professional, duty-ready appearance.

Definition: a pair of black plastic tubular rank covers (tubolari) with gold trim and insignia, sized for standard military jackets. Suitable for tactical uniforms, military surplus collectors, and duty use.

Main features

These tubolari combine durable materials with a formal design to match uniform regulations and maintain a neat look on the giubbino.

- **Material:** Robust plastic construction for durability and everyday wear.
- **Design:** Black sheath with a gold frame, featuring a gold turreted crown topped by a five-pointed gold star.
- **Size:** Pair dimensions 6 cm wide × 9 cm high — fits standard jacket placement.
- **Intended use:** Reserved for Esercito personnel; manufactured to present a professional duty appearance.
- **Purchase requirement:** Sale requires proof of military affiliation (military ID) or delivery to a barracks address at registration.

How to use / When it’s useful

Quick answer: Slide the pair onto the designated sleeve area of the giubbino to display rank styling as required. They are designed for routine wear on formal and daily duty jackets.

In most cases, these tubolari are fitted where rank covers are worn on the jacket; they help keep a uniform, professional look during duty, parades, and official events. For collectors, use requires a valid prefectural license (art. 28 TULPS).

Care and notes

Simple care keeps the tubolari presentable and extends service life; avoid abrasive cleaners and store flat to prevent warping.

- Wipe clean with a damp cloth; avoid strong solvents.
- Store flat in a cool, dry place to maintain shape and finish.
- Sale restricted to Esercito personnel or verified collectors with required documentation.
- Limited stock available; allow time for verification before shipping.

FAQ

Q: Who can purchase the Tubolari Plastica Neri Maggiore Esercito?

A: Only personnel of the Esercito Italiano can purchase without additional permits. Purchase requires submission of military ID or delivery to a barracks shown at registration.

Q: What are the exact dimensions of the tubolari?

A: Each tubolare measures 6 cm in width and 9 cm in height. They are sold as a pair sized for standard giubbino placement.

Q: What symbols appear on the tubolari?

A: The black sheath has a gold frame containing a gold turreted crown topped by a five-pointed gold star, as described in the product details.

Q: Can collectors buy these tubolari?

A: Yes. Collectors must send a copy of the prefectural license under art. 28 TULPS to complete the purchase and verification process.

Q: How do I verify my Esercito affiliation for purchase?

A: Verification requires a copy of your military ID or specifying the barracks as the delivery address during site registration so we can confirm your affiliation.

Q: Are these tubolari always in stock?

A: Availability is limited and demand is high. Allow extra time for document verification and consider ordering sooner to secure the pair you need.

Tip: Choose the correct pair and check the size (6 cm × 9 cm) before ordering. Browse related tactical and military surplus items to complete your uniform or replacement parts, and ensure your verification documents are ready to speed up processing.
