Product overview

The Fregio Metallo Bronzato Basco Carabinieri is a bronzed metal cap badge designed for the Carabinieri beret and intended for service use and authorized collectors. Definition: a 4 cm bronzed metal insignia with a rear piccaglia attachment for mounting on the beret.

This item is reserved for personnel of the Arma dei Carabinieri and for collectors with a valid prefettizia license; purchase requires identity verification and limited quantities are available to preserve authenticity.

Main features

Compact, durable and designed for correct uniform appearance.

- **Material:** bronzed metal finish for durability and low-visibility appearance.
- **Size:** 4 cm diameter, suitable for beret placement.
- **Attachment:** rear piccaglia (pin) for secure mounting on the beret.
- **Design:** detailed, refined badge consistent with Carabinieri uniform style.
- **Restricted sale:** available only to authorized Carabinieri personnel and verified collectors.

How to use / When it’s useful

Quick answer: attach the badge to the beret using the rear piccaglia, securing it through the fabric where the badge is normally placed. In most cases, the badge is used for standard duty, ceremonial uniforms, or replacement of worn insignia.

If you are purchasing as serving personnel, send a copy of your military ID via the site contact area or set the delivery address to your command station or barracks. Collectors must provide a copy of the prefettizia license as required by art. 28 TULPS.

Care and notes

Keep the badge in good condition and comply with sale rules.

- Clean gently with a soft, dry cloth; avoid abrasive cleaners or harsh chemicals.
- Store in a dry place to prevent tarnish or moisture damage.
- Ensure the piccaglia is fully secured to the beret to avoid loss.
- Sale is limited to authorized personnel and verified collectors; identity checks are required.

FAQ

Q: Who can purchase the Fregio Metallo Bronzato Basco Carabinieri?

A: Sale is reserved for Arma dei Carabinieri personnel and for collectors with a valid prefettizia license. Orders are subject to identity verification.

Q: What are the exact dimensions of the badge?

A: The badge measures 4 cm in diameter, designed to fit proportionally on the Carabinieri beret.

Q: How is the badge attached to the beret?

A: The badge uses a rear piccaglia (pin) attachment. It is inserted through the beret fabric in the correct position and secured for a stable fit.

Q: What documents are required to complete the purchase?

A: Serving personnel must send a copy of their military ID or provide their command station/barracks as the delivery address. Collectors must submit a copy of the prefettizia license under art. 28 TULPS.

Q: Is availability limited?

A: Yes. Quantities are limited and sales are controlled to maintain authenticity and ensure the badge is supplied only to authorized buyers.

Q: Can the badge be shipped to a private address?

A: For serving personnel the preferred option is delivery to the command station or barracks noted during registration; private address delivery may require additional verification per store policy.
