The "Porta Nastrini 21 Posti" is a stylish ribbon organizer for crafters and hobbyists. It stores up to 21 ribbons, keeping them neat and easy to reach.

- **Material:** High-quality materials designed for long-lasting use.
- **Capacity:** Holds up to 21 ribbon rolls, keeping each separated and visible.
- **Use:** Ideal for sewing rooms, craft studios and gift-wrapping stations.
- **Design:** Compact, elegant and space-saving to keep ribbons tidy and accessible.

Product description:

Product overview

The 21-slot ribbon rack is a sturdy metal holder for organizing service ribbons, dress ribbons and medal ribbons. It is designed for military, police, uniformed personnel, collectors and retail displays who need a compact, reliable solution.

Definition: a metal ribbon rack with 21 positions made to house standard 37 mm ribbons for

orderly storage and quick access.

Main features

Key features at a glance for a practical, long-lasting ribbon holder suitable for tactical, duty and military surplus needs.

- **Durable metal construction:** built to resist everyday wear and keep ribbons secure.
- **21-slot capacity:** holds up to twenty-one 37 mm ribbons for neat display and storage.
- **Two mounting options:** choose rear clip (morsetti) or screw attachment from the dropdown.
- **Pre-drilled holes:** simple, fast installation whether using clips or screws.
- **Compact design:** space-saving layout fits locker rooms, uniform shops, and home displays.

How to use / When it’s useful

Quick answer: select the mounting option (clip or screw) when ordering and install using the pre-drilled holes. The rack is intended for ribbons that measure 37 mm in width.

In most cases, this rack is useful for organizing service ribbons on a uniform board, in a display case, or on a storage shelf for police, military surplus, and tactical gear collections. Installation is straightforward and suitable for users with basic DIY skills.

Care and notes

Simple care keeps the rack functional and looking good; follow these practical tips before installation.

- Wipe clean with a dry or slightly damp cloth; avoid abrasive cleaners.
- Verify your ribbon width is 37 mm before purchase to ensure proper fit.
- Use recommended mounting option (clips or screws) and tighten securely to prevent shifting.
- Store indoors or in dry areas to reduce corrosion risk on the metal surface.

FAQ

Q: What size ribbons does this rack fit?

A: The rack is designed for 37 mm ribbons. It may accept similar sizes, but for best fit verify your ribbons are 37 mm wide before purchasing.

Q: Is installation difficult?

A: No. Pre-drilled holes and the choice of clip or screw attachment make installation quick and straightforward for most users.

Q: What material is the rack made from?

A: The rack is made from quality metal for durability. Regular cleaning and dry storage will help maintain its condition.

Q: Can I buy more than one unit?

A: Yes, multiple units are available. Quantities may be limited, so consider ordering additional racks if you need to outfit several displays or lockers.

Q: How do I choose between clip and screw attachment?

A: Choose the clip option for easy removal or temporary mounting; choose screws for a more permanent, secure installation. Select your preference from the dropdown when ordering.

Q: Is this suitable for tactical or police use?

A: Yes. Its compact, robust design fits well in duty, tactical, and police equipment storage or display setups where organized ribbon presentation is needed.

Tip: When ordering, confirm the 37 mm ribbon size and select the preferred mounting variant (clip or screw). Consider adding matching display or storage items from our related products to complete your setup.
