Product short description:

The Fascetta Metallo Albania is a sturdy metal clamp for securing cables, hoses and similar items. Ideal for professionals and DIY users who want reliable fastening with a refined look.

- **Material:** High-quality metal for strength and durability.
- **Use:** Secures cables, tubing and other items for installation and storage.
- **Design:** Clean finish fits many settings, keeping function and neat appearance.
- **Operation:** Easy to apply and adjust for quick, tidy installations.
- **Suitable for:** Tradespeople, technicians and home users seeking practical fastening.

Product description:

Product overview

The Fascetta Metallo Albania is a bronzed metal ribbon bar designed for the 37 mm commemorative Humanitarian Rescue Cross (Croce di Soccorso Umanitario). It is intended for military personnel, medal collectors, and anyone documenting or displaying service in the 1991 humanitarian operations in Albania.

Definition: a bronzed metal ribbon bar engraved with "Albania" that mounts on the 37 mm uniform commemorative cross ribbon to mark participation or support in the Albania relief operations.

Main features

Simple, durable and symbolic, this fascetta adds clear nation identification to the Humanitarian Rescue Cross ribbon.

- **Material:** bronzed metal for durability and a traditional look.
- **Engraving:** clearly marked with the word "Albania" for visible identification.
- **Size:** made for the 37 mm uniform commemorative cross ribbon.
- **Purpose:** designed to complement the Croce di Soccorso Umanitario (Humanitarian Rescue Cross).
- **Fit:** easy to apply to the ribbon to create a complete medal display.

How to use / When it’s useful

Quick answer: attach the fascetta to the 37 mm ribbon of the Humanitarian Rescue Cross to show involvement or recognition of the Albania relief operations. In most cases, it is fitted on the ribbon bar of the uniform cross for display and ceremony.

Use this fascetta when preparing a uniform medal set, for archival display, or as part of a military surplus or tactical gear collection. It provides a visible, respectful marker of service or support tied to the 1991 Albania operations.

Care and notes

Keep the fascetta clean and handle it with care to preserve the engraving and finish. Note fitment and availability when ordering.

- Only compatible with 37 mm commemorative cross ribbons; it will not fit other sizes.
- Store with other medals or in a dry place to avoid tarnish; avoid harsh abrasives.
- Limited availability: demand may be high due to its commemorative nature.

FAQ

Q: What material is the Fascetta Metallo Albania made of?

A: The fascetta is made of bronzed metal, chosen for its strength and a traditional appearance suitable for medals and uniform display.

Q: What size is the fascetta?

A: It is produced specifically for the 37 mm uniform commemorative cross ribbon and is not

offered in other sizes.

Q: What does the engraving "Albania" signify?

A: The engraving indicates the nation connected to the humanitarian operations; it serves as a visible recognition of involvement in the Albania 1991 relief efforts.

Q: How do I attach the fascetta to the medal ribbon?

A: The fascetta is designed to be applied directly to the 37 mm ribbon of the Croce di Soccorso Umanitario (Humanitarian Rescue Cross). It slips onto the ribbon to form a complete bar display.

Q: Is this an official government-issued item?

A: This listing describes the bronzed metal ribbon bar for display and commemorative use. Any official issuing authority or provenance should be verified separately; the product is intended for uniform display, collections, or reenactment use.

Q: Who is this fascetta suitable for?

A: It is suitable for military personnel who wear the commemorative cross, medal collectors, museums, and those who manage tactical or military surplus displays.

Tip: Choose the correct 37 mm variant and check availability before ordering. Browse related ribbons and medal accessories to complete your uniform or display set.
