Product short description:

Plastic rank tubes for Commissario Capo Comandante del Reparto Penitenziaria, designed to provide clear, professional identification on uniforms. They are intended for prison service personnel who need a reliable, refined insignia accessory that keeps a neat appearance during daily operational use.

- **Material:** High-quality plastic designed for durability and easy cleaning.
- **Use:** Displays rank and role clearly for immediate recognition on the uniform.
- **Fit:** Slim, functional design that conforms to standard uniform placement.
- **Durability:** Resistant to wear and maintains a professional look in demanding conditions.
- **Finish:** Low-profile, professional appearance suitable for operational and formal settings.
