Product overview

The AT-PI GdF round patch is a stitched identification patch for members of the Guardia di Finanza’s Antiterrorism Pronto Impiego unit and qualified collectors. It is intended for operational use on uniforms and tactical gear or as a verified collector’s piece.

Definition: This is an official embroidered unit patch (diameter 8.5 cm) representing AT-PI GdF, used for identification, unit pride and display in military surplus or police gear collections.

Main features

Clean design and durable embroidery make this patch suitable for duty wear and display in military or tactical collections.

- **Material:** High-quality embroidery on anthracite grey background.
- **Size:** 8.5 cm diameter, suitable for standard uniform and tactical placement.
- **Design:** Central eagle clutching a lightning bolt, green field background and tricolor circular border.
- **Marking:** “AT-PI” (Anti Terrorismo Pronto Impiego) shown semicircularly at the bottom.
- **Use:** Identification for Guardia di Finanza personnel and verified collectors of military surplus or police insignia.
- **Symbolic value:** Represents operational readiness, unit cohesion and duty service.

How to use / When it’s useful

Use the patch on approved uniform areas or on authorised tactical garments when on duty or during official events; collectors can keep it with military surplus displays. Quick answer: it is for authorised Guardia di Finanza operators and licensed collectors only.

In most cases, the patch serves as both an identification emblem during operations and a respected collector’s item for those holding the required permits. Place and display according to unit regulations and collector guidelines.

Care and notes

Keep the patch clean and store it in a dry place; follow unit rules for attachment and placement when worn on duty.

- Sale restricted: available only to Guardia di Finanza operators and collectors with a prefettizia license under art. 28 TULPS.
- Verification required: proof of service card or service attestation for operators; prefettizia license for collectors.
- Purchase approval is mandatory; orders cannot be completed without account verification.
- Delivery for operators can be arranged to the barracks address indicated during account setup.

FAQ

Q: Who can purchase the AT-PI GdF round patch?
