- **Durability:** Made to resist wear and retain its look over time.
- **Ideal for:** Maresciallo Ordinario, reenactors and collectors seeking tradition and authenticity.

Product description:

Product overview

Gradi Metallo Maresciallo Ordinario Esercito GdF are a pair of enamelled metal rank insignia made for personnel of the Esercito and the Guardia di Finanza. They are intended for military use, suitable for wearing on service and dress uniforms by those authorized to display this rank.

Definition: A pair of rectangular, enamelled metal plates showing the Maresciallo Ordinario rank, fitted with screw fasteners for rigid shoulder boards. Ideal for tactical, duty and military surplus uniform needs.

Main features

Durable, professional insignia made to be attached securely to rigid uniform shoulder boards and suitable for several uniform types.

- **High-quality materials:** Enamelled metal construction for wear resistance and long life.
- **Distinctive design:** Black rectangular plates with two diagonal gold-toned bars in relief.
- **Secure attachment:** Rear screw fasteners for mounting on rigid counter-shoulder boards.
- **Uniform compatibility:** Suitable for ordinary service uniform, winter service, black castorino coat and waterproof coat.
- **Sold as a pair:** Supplied in a matched set for both shoulders.
- **Restricted sale:** Reserved for military personnel and verified collectors under legal requirements.

How to use / When it’s useful

Quick answer: Attach the pair using the rear screw fittings to the rigid shoulder boards of the uniform where Maresciallo Ordinario insignia are required.

In most cases, these metal grades are used on service and winter uniforms, including overcoats like the black castorino and waterproof coat, to display rank with a formal appearance. They suit duty, tactical and uniform collectors who meet purchase rules.

Care and notes

Keep the insignia clean and avoid harsh chemicals; tighten screws securely but do not over-torque to prevent damage.

- Store in a dry place to prevent corrosion of metal fittings.
- Clean gently with a soft cloth; avoid abrasive cleaners that can damage enamel or finish.
- Sale restricted: purchase requires military ID verification or delivery to a barracks; collectors must provide a prefectural license under art. 28 TULPS.

FAQ

Q: Who can buy these insignia?

A: Only authorized military personnel with a valid military ID, or verified collectors who submit a prefectural license as required by art. 28 TULPS.

Q: How are the insignia attached to the uniform?

A: Each plate has rear screw fasteners designed to mount onto rigid counter-shoulder boards of the uniform.

Q: Are these suitable for overcoats?

A: Yes. They are intended for ordinary service uniforms and winter garments, including the black castorino coat and waterproof coat.

Q: What materials are used?

A: The insignia are made of enamelled metal with gold-toned raised bars, chosen for durability and resistance to wear.

Q: Are they sold individually or as a pair?

A: They are sold as a matched pair, one for each shoulder, to ensure uniform appearance.

Q: What verification is required at purchase?

A: Sale is subject to prior identity verification via military ID or shipment to a barracks. Collectors must supply a copy of the prefectural license under art. 28 TULPS.

Tip: Choose the correct variant or size for your uniform type and check verification requirements before ordering. Browse related insignia and uniform accessories to complete your duty or tactical kit.
