Product overview

The Congo ONU ribbon is a service ribbon for military personnel who took part in the United Nations MONUC mission in the Democratic Republic of the Congo. It is intended for former or current service members, collectors, and uniform displays.

Definition: The Congo ONU ribbon is a 37 mm service ribbon in light blue with a central vertical blue stripe flanked by two yellow stripes, symbolizing the Congo River, peace, and prosperity.

Main features

Simple, recognized design with durable construction and mounting options to suit uniform or display needs.

- **Distinctive design:** Light blue base with a vertical blue stripe and two vertical yellow stripes.
- **Standard size:** Available only in the official 37 mm format.
- **Two finishes:** Regulation flat format and slightly convex "Elite" variant.
- **Mounting options:** Choose a ribbon bar holder with clamp attachment or screw attachment.
- **Durable materials:** Made to retain appearance and integrity with normal use.
- **Compatible:** Can be mounted on multi-ribbon bars for display or uniform wear.

How to use / When it’s useful

Use the ribbon on dress uniforms, ribbon bars, displays, or military surplus collections where rules allow. It is suitable for tactical and duty presentations as well as collector showcases.

Quick answer: Wear this ribbon according to your service regulations and authorization. In most cases, select the flat regulation format for standard uniform use and the Elite variant for a slightly more prominent appearance.

Care and notes

Basic care keeps the ribbon looking correct for display or wear; follow unit or national rules for authorized use on uniforms.

- Store dry and flat to avoid bending or damage to the ribbon's shape.
- Clean gently with a soft, dry cloth; avoid harsh chemicals.
- Confirm authorization before wearing on a uniform—this item is the ribbon only, not official documentation of award.
- Available only in 37 mm; choose the correct mounting option at purchase.

FAQ

Q: Who is eligible to receive the Congo ONU ribbon?

A: The ribbon is awarded to military personnel who served in the UN MONUC mission. Official awarding and authorization to wear the ribbon are handled by the UN or national authorities.

Q: What size is the ribbon?

A: The Congo ONU ribbon is supplied only in the standard 37 mm format, consistent with the

commonly used service ribbon width.

Q: Which variants are available?

A: Two variants are offered: the regulation flat format and the slightly convex "Elite" variant for a raised appearance.

Q: What mounting options come with the ribbon?

A: You can select a ribbon bar holder with clamp (morsetti) or with screws (viti) for secure attachment and easy removal.

Q: Is this an official UN-issued ribbon?

A: The item matches the official ribbon design and is sold as the ribbon component. Official issuance and record of award remain the responsibility of the UN and national chains of command.

Q: How do I purchase and select the right option?

A: Add the ribbon to your cart, choose the finish (flat or Elite) and the mounting option, then complete the checkout. Check availability as stock can be limited.

Tip: Choose the correct variant and mounting option for your uniform or display, and consider browsing related ribbon bars and multi-ribbon mounts to complete your tactical, military surplus, or duty/police presentation.
