Product overview

The Scudetto Ricamato Istruttore Militare Alpinismo is an embroidered triangular patch designed

for military alpine instructors and enthusiasts. It is suitable for duty uniforms, tactical jackets, backpacks, and military surplus collections.

Definition: a stitched identification patch featuring an ice axe, rope, and snowy mountain scene with a Velcro backing for easy attachment. Keywords: tactical patch, military patch, duty gear.

Main features

Durable embroidered patch with clear alpine imagery and practical attachment for field use.

- **Distinctive design:** triangular patch showing an ice axe with a rope over a snowy mountain and blue sky background.
- **High-quality materials:** made to resist wear in rugged conditions while maintaining stitch detail.
- **Rear Velcro:** hook-and-loop backing allows fast, secure attachment and removal from camouflage uniforms or panels.
- **Compact size:** dimensions 6.5 cm height x 7.5 cm width — visible without being bulky.
- **Embroidered border:** green stitched frame with the text "ISTRUTTORE MILITARE ALPINISMO" for clear identification.

How to use / When it’s useful

Quick answer: attach the patch by pressing the Velcro backing onto a compatible loop panel on your uniform, jacket, or bag. It’s ideal for instructors who need identifiable insignia or for collectors displaying military surplus items.

In most cases, place the patch on the chest, sleeve, or a designated ID panel where Velcro is provided. The patch is useful during training, field exercises, or as part of a display or collection.

Care and notes

Simple care keeps the patch looking sharp and extends its life.

- Remove the patch before machine washing garments to reduce wear on stitching and Velcro.
- Avoid direct high heat (iron or tumble dry) on the embroidered face to protect threads.
- Limited stock available; contact customer service for large or bulk orders.
- Designed for instructors but also suitable for alpine enthusiasts and collectors.

FAQ

Q: What are the patch dimensions?

A: The patch measures 6.5 cm in height and 7.5 cm in width. It is compact and designed to be

visible without overwhelming the uniform.

Q: How do I attach the patch to my camouflage uniform?

A: The patch has a Velcro (hook) backing; press it onto a loop panel on your uniform, jacket, or bag for a secure fit. It is removable when needed.

Q: Is the embroidered design durable?

A: Yes, the patch is made with quality materials and reinforced stitching intended to withstand regular field use and handling.

Q: Can I order this patch in bulk?

A: Availability is limited, but bulk orders may be possible. Contact our customer service to check current stock and lead times for larger quantities.

Q: Is this patch only for military personnel?

A: The patch is designed for military alpine instructors, but it is also suitable for alpine enthusiasts, collectors, and those using tactical or duty gear.

Q: Will the Velcro damage my uniform?

A: When used as intended on compatible loop panels, Velcro should not damage fabric. To minimize wear, remove the patch before washing and avoid repeated rough handling of the loop surface.

Tip: Choose the best placement (chest, sleeve, or ID panel) and check our related tactical patches and military surplus items to complete your kit.
