- **Design:** Distinctive, refined styling that reflects infantry heritage.
- **Ideal for:** Collectors and anyone who values the history, courage and honor of infantry forces.

Product description:

Product overview

The Mostrine 33° Ardenza Fanteria d'Arresto are a pair of enamel collar insignia from the 33° Reggimento Fanteria d'Arresto Ardenza, ideal for veterans, military collectors, reenactors and military-surplus buyers. They are intended for use as unit insignia on uniforms and for historical

collections.

Definition: These are enamel unit collar patches (mostrine) featuring the 33° Ardenza design and rear clamp fasteners for secure attachment. Availability is limited and sale is subject to verification requirements to confirm authenticity.

Main features

Clear design and durable construction make these mostrine suitable for display or wear on service dress and collection pieces.

- Design: rectangular orange background with a raised five-point silver star at the lower edge.
- Material: high-quality, durable enamel finish for lasting appearance.
- Attachment: rear clamp fasteners for simple fitting and firm hold.
- Size: 2.5 cm wide x 5 cm high (pair).
- Provenance note: items from the dissolved 33° Ardenza Fanteria d'Arresto are sold after identity verification.

How to use / When it’s useful

Quick answer: Attach the clamps to the uniform collar or display backing; they sit flat and are designed for standard uniform collars. In most cases, they work well for dress uniforms, displays and collection mounts.

Use these mostrine when restoring or completing a historical uniform, preparing a display, or adding an authenticated piece to a military surplus or tactical gear collection. They are appropriate for duty-style presentation or museum-quality collections where original insignia are required.

Care and notes

Simple care keeps the enamel and metal fittings in good condition while preserving collector value.

- Store in a dry place away from direct sunlight to prevent fading.
- Clean gently with a soft, dry cloth; avoid abrasive cleaners and solvents that can damage enamel.
- Sale requires submission of a copy of the military ID (tesserino militare) to confirm authenticity.
- Collectors must submit a copy of the prefectoral license ex art. 28 TULPS as required for purchase.

FAQ

Q: What size are the mostrine?

A: Each pair measures 2.5 cm in width and 5 cm in height. These dimensions suit standard uniform collars without being bulky.

Q: How is authenticity verified?

A: Authenticity is confirmed by submitting a copy of your military ID (tesserino militare) before sale. This procedure helps ensure the item’s provenance.

Q: Can collectors purchase these mostrine?

A: Yes. Collectors must provide a copy of the prefectoral license ex art. 28 TULPS as part of the purchase verification process.

Q: What materials are used?

A: The mostrine are made with a high-quality enamel finish and metal fittings. The enamel is durable but should be handled and cleaned carefully.

Q: Are the mostrine easy to attach to a uniform?

A: Yes. They feature rear clamp fasteners designed for straightforward application and a secure hold on uniform collars or display mounts.

Q: Are these pieces original to the 33° Ardenza unit?

A: The items are associated with the dissolved 33° Ardenza Fanteria d'Arresto; sale and verification procedures help confirm their association with the unit.

Tip: Choose the correct variant and check verification requirements before ordering; browse related military surplus and tactical insignia to complete your uniform or collection.
