- **Material:** High-quality, durable plastic.
- **Use:** Official-style rank badge for Sub-Lieutenant to complete service dress.
- **Design:** Elegant, detailed styling that reflects the tradition and pride of the Aeronautica Militare.
- **Ideal for:** Newly promoted personnel and collectors who want an authentic-looking emblem to wear with pride.

Product description:

Product overview

Pair of Gradi Sottotenente Aeronautica Militare shoulder ranks in high-quality plastic, intended for serving members of the Aeronautica Militare and verified collectors holding a license under art. 28

TULPS. These are uniform insignia made for wear on service dress and for military surplus or collector displays.

Definition: These are plastic rank insignia (a pair) for the Sottotenente rank of the Aeronautica Militare. They are designed to reflect the official appearance while remaining durable for duty use or display.

Main features

Key features and benefits at a glance.

- **High-quality material:** Made from durable plastic for long-lasting use and a clean appearance.
- **Authentic look:** Detailed design intended to match the official Sottotenente insignia.
- **Easy to apply:** Designed for straightforward attachment to uniforms with secure fit.
- **Limited availability:** Sold only to Aeronautica Militare members and verified collectors (art. 28 TULPS).
- **Collector value:** Suitable for military surplus collections and historical displays.

How to use / When it’s useful

Quick answer: Attach the pair to the uniform where the Sottotenente rank is required for duty or ceremonial wear. Ensure you meet the purchase eligibility before ordering.

In most cases, these ranks are used on service dress and ceremony uniforms or added to a military surplus collection for display. For collectors, verify your license under art. 28 TULPS to complete the purchase.

Care and notes

Basic care and important notes for owners.

- Store in a dry place to avoid warping or discoloration.
- Clean gently with a soft cloth; avoid harsh chemicals that can damage plastic.
- Sale and shipment are subject to verification of eligibility per art. 28 TULPS.
- Availability is limited; orders may be rationed to eligible buyers only.

FAQ

Q: Who can purchase the Gradi Sottotenente Aeronautica Militare?

A: Only serving members of the Aeronautica Militare and verified collectors holding a license in accordance with art. 28 TULPS are eligible to buy this product.

Q: What material are the ranks made from?

A: The ranks are made from high-quality plastic designed for durability and to maintain a professional appearance over time.

Q: How are the ranks applied to the uniform?

A: They are designed for easy and secure attachment to the uniform. Follow your service dress regulations for correct placement and fastening methods.

Q: Can I buy more than one pair?

A: Multiple pairs may be available, but purchases remain subject to license verification and limited stock. Check availability before ordering.

Q: Are these suitable for collectors and displays?

A: Yes. They are appropriate for military surplus collections and historical displays, offering authentic visual detail while being made from modern materials.

Q: Why is availability limited?

A: Availability is limited because the item is reserved for authorized service members and licensed collectors under legal regulations (art. 28 TULPS), and demand is consistently high.

Tip: Choose the correct variant and verify your license before purchase. Consider browsing related tactical and military surplus items or duty accessories to complete your uniform or collection.
