Product overview

The Nastrino Meriti Speciali Polizia Locale Puglia Prima Assegnazione is an official ribbon awarded by the Regione Puglia to members of the Polizia Locale who have shown exceptional courage. It is intended for police personnel and collectors of duty and police insignia who need an accurate, regulation-style ribbon.

Definition: This is the first-assignment special merits ribbon awarded to Polizia Locale personnel for acts that risked personal safety to protect public law and security. Suitable for duty wear, ceremonial use, or curated military surplus and tactical collections.

Main features

Clear, regulation-accurate design with durable construction and multiple attachment options.

- **Regulation design:** green ribbon with a central red stripe and a bronzed six-pointed star, 8 mm in diameter.
- **High-quality materials:** made from durable fabrics and metal to keep appearance and shape over time.
- **Two finishes:** standard flat regulation format or a slightly domed "Elite" variant.
- **Attachment options:** available with rear clamp fittings or screw fittings (selectable).
- **Multi-slot assembly:** can be mounted on two-or-more place ribbon bars for combined displays.

How to use / When it’s useful

Use this ribbon for official uniform presentation, ceremonies, or as part of a display on a ribbon bar. It fits standard ribbon holders and can be combined with other merit ribbons on a single metal base.

Quick answer: this ribbon is for Polizia Locale personnel receiving first-assignment special merits and for collectors needing an authentic replica. In most cases, select the attachment type (clamp or screws) that matches your uniform or ribbon bar for secure mounting.

Care and notes

Keep the ribbon in good condition with basic care and correct mounting.

- Store dry and avoid prolonged exposure to direct sunlight to prevent fading.
- Use the correct mounting option (clamp or screws) to ensure secure attachment to the uniform or ribbon bar.
- Do not alter or add unofficial insignia; intended for authorized use and accurate displays.
- For multi-ribbon assemblies, choose a compatible ribbon bar to maintain proper spacing and alignment.
