Product overview

The Scudetto 31° Stormo Aeronautica Militare is an embroidered Velcro patch designed for the flight suit and for licensed collectors. It is intended for members of the Italian Aeronautica Militare and for private collectors who hold the required prefectural license.

Definition: an official embroidered unit patch with Velcro backing featuring the 31° Stormo emblem. The navy-blue design shows the Aeronautica Militare eagle integrated into a ship's prow and the seven Pleiades stars, symbolizing unit values. Relevant keywords: military patch, tactical patch, military surplus, duty insignia.

Main features

Cleanly embroidered with a Velcro backing, the Scudetto combines traditional symbolism with practical use on flight suits and approved uniforms.

- **High-quality embroidery:** detailed stitching for long-lasting appearance.
- **Velcro backing:** easy to attach and remove from flight suits and approved jackets.
- **Navy-blue background:** faithful to the official 31° Stormo emblem.
- **Iconic symbolism:** eagle in the ship's prow and seven Pleiades stars representing unit values.
- **Durable construction:** made for regular wear on service garments.
- **Restricted distribution:** reserved to Aeronautica Militare personnel and licensed collectors.

How to use / When it's useful

Quick answer: attach the patch to the Velcro panel of your flight suit, approved uniform, or display board. It identifies unit affiliation and preserves historical tradition.

In most cases, the patch is used by serving personnel for official uniforms or by collectors for authenticated displays. Use it for uniform restoration, ceremonial wear, or as part of a military surplus or tactical gear collection where permitted.

Care and notes

Store and handle the patch like other embroidered insignia to keep stitching and Velcro in good condition. Note that sale is subject to identity and license verification.

- Attach/remove gently to avoid damaging Velcro or fabric.
- Hand-clean if needed; avoid aggressive detergents or high heat.
- Purchase requires verification: send a copy of military ID or a prefectural license (art. 28 TULPS) as proof of entitlement.
- Availability is limited and subject to verification checks before shipping.

FAQ

Q: Who can buy the Scudetto 31° Stormo Aeronautica Militare?

A: Only serving personnel of the Italian Aeronautica Militare and private collectors who hold a valid prefectural license (art. 28 TULPS) may purchase this patch.

Q: What documents are required to buy?

A: You must provide a copy of your military ID or a prefectural license. Documents are used to verify entitlement before the sale is completed.

Q: How do I send the required documents?

A: Documents should be submitted through the seller’s contact or verification form as instructed at checkout. The verification step is mandatory for processing.

Q: Is this patch available for international shipping?

A: The patch is reserved for Italian Aeronautica Militare personnel and licensed collectors; international sale is not generally available unless the buyer meets the eligibility and licensing requirements.

Q: How long does delivery take?

A: Delivery time depends on product availability and the time needed to verify documents. You will receive a confirmation once verification and dispatch are complete.

Q: Is the patch an official unit emblem?

A: Yes, the patch reproduces the 31° Stormo emblem as used by the Aeronautica Militare and is offered under restricted distribution to eligible personnel and licensed collectors.

Tip: Choose the correct variant and plan how you will attach or display the patch before ordering. Browse related tactical and military surplus patches to complete a uniform or collection, and ensure you have the required documentation ready to speed up verification.
