Product overview

The Bottoni Metallo Carabinieri Berretto are a pair of convex metal buttons designed for the chinstrap of the Arma dei Carabinieri dress cap, intended for members of the Carabinieri and authorized collectors. Definition: metal cap buttons featuring the Carabinieri grenade emblem with the monogram RI on a knurled background.

These duty-style buttons suit military surplus repairs, ceremonial uniforms and tactical headgear restorations. They are a restricted product: sale requires proof of service or a collector's licence as described by art. 28 TULPS.

Main features

Clear, durable details and correct sizing make these buttons suitable for official uniform use and for verified collectors of police and military items.

- **Material:** Convex metal, made for long-lasting use and a polished appearance.
- **Design:** Carabinieri crest in piccaglia style with a grenade emblem and RI monogram on a knurled background.
- **Size:** Pair of buttons, 12 mm diameter each — sized for the cap chinstrap (soggolo).
- **Intended use:** For Arma dei Carabinieri uniform caps and verified collector purchases.
- **Availability:** Limited stock; purchase is subject to identity or licence verification.

How to use / When it’s useful

Quick answer: fit the buttons to the cap chinstrap or replace worn decorative buttons on dress caps. Installation typically involves securing the button through the strap or mounting point used on the cap.

In most cases, these buttons are used for formal uniforms, replacements after wear, or for verified collector displays of police and military surplus. They are also useful when restoring or maintaining ceremonial headgear in duty and tactical collections.

Care and notes

Maintain the metal finish with light cleaning and follow purchase requirements closely. Keep documentation ready for order approval.

- Wipe with a soft, dry or slightly damp cloth; avoid abrasive chemicals.
- Store dry to reduce tarnishing or corrosion over time.
- Sale requires a copy of your service ID or the barracks/command address as the delivery location.
- Collectors must submit a valid prefectoral licence per art. 28 TULPS to complete the purchase.

FAQ

Q: Who is allowed to buy these buttons?

A: Only personnel of the Arma dei Carabinieri and collectors with a prefectoral licence under art. 28 TULPS may purchase these buttons. Orders are verified before shipment.

Q: What are the button dimensions?

A: Each button is 12 mm in diameter. They are supplied as a pair and sized for standard cap chinstraps (soggolo).

Q: What documents are required to complete the purchase?

A: You must provide a copy of your service ID card or include the barracks/command station or Legione address as the shipping address. Collectors must upload the prefectoral licence.

Q: What do the buttons depict?

A: The buttons show the Arma dei Carabinieri grenade emblem with the RI monogram, reproduced in relief on a knurled background with a corded border.

Q: Are these buttons suitable for uniform repairs?

A: Yes. They are designed for dress-cap chinstraps and formal uniform use, offering a correct appearance for duty and ceremonial headgear.

Q: Can a non-member buy them without paperwork?

A: No. Sales are restricted and require verification. Non-members without the required licence or service proof cannot complete the purchase.

Tip: Choose the correct variant and prepare required documents before ordering; consider browsing related cap fittings and approved uniform accessories to complete restorations or collections.
