Product overview

This product is a pair of plastic rank sleeves (tubolari) for Tenente Colonnello of the Aeronautica

Militare, intended for use on shirts and sweaters by serving Air Force personnel. It is reserved for members of the Aeronautica Militare and verified collectors under Italian regulations.

Definition: a pair of plastic rank sleeves showing the Lieutenant Colonel insignia for duty uniforms. Suitable for military, tactical, and military surplus use.

Main features

Clear, durable design made for uniform wear with official rank details and verification requirements for purchase.

- **Official rank design:** pentagonal shape on a blue sheath with a gold lozenge above two horizontal gold chevrons and a small gold chevron of 14 mm.
- **Material:** high-quality plastic for consistent appearance and light wear resistance.
- **Pair for shirt or sweater:** supplied as a pair suitable for sleeve-mounted display on uniforms.
- **Easy to fit:** designed for quick application on shirts and jumpers without affecting comfort.
- **Restricted sale:** available only to Aeronautica Militare personnel or verified collectors with required documentation.

How to use / When it’s useful

Quick answer: Fit the tubolari onto the sleeve area of the shirt or sweater where rank is normally displayed. They are intended to be worn by serving Aeronautica Militare officers to show rank on duty or ceremonial garments.

In most cases, these tubolari are used for daily duty uniforms, formal wear, or when a plastic, low-profile rank sleeve is preferred over embroidered or metal insignia. Collectors can purchase only after providing the required prefectural license under art. 28 TULPS.

Care and notes

Simple care keeps the tubolari looking correct and preserves the finish; follow the purchase verification rules before ordering.

- Wipe clean with a soft, damp cloth; avoid abrasive cleaners or solvents.
- Store flat to prevent bending or deformation of the plastic tubes.
- Sale requires sending a copy of the military ID card proving membership in the Aeronautica Militare, or using the barracks address as the shipping address during registration.
- Collectors must supply a copy of the prefectural license in accordance with art. 28 TULPS for purchase approval.

FAQ

Q: Who can buy these tubolari?

A: Serving Aeronautica Militare personnel can purchase them after verification. Collectors can buy only if they submit the required prefectural license under art. 28 TULPS.

Q: What material are the tubolari made of?

A: The tubolari are made of high-quality plastic designed to keep a neat appearance and withstand normal wear on shirts and sweaters.

Q: What does the insignia look like?

A: The design is pentagonal on a blue sheath, with a gold lozenge over two horizontal gold chevrons and a small gold chevron measuring 14 mm.

Q: How are the tubolari applied to clothing?

A: They are designed for easy fitting on the sleeve area of shirts or jumpers. Installation is quick and intended to be secure without reducing comfort.

Q: Can I have the product shipped to a barracks address?

A: Yes. Using the barracks as the delivery address is acceptable and must be entered during site registration to verify military status.

Q: Is availability limited?

A: Availability can be limited due to restricted sale and steady demand from serving personnel. Orders are processed after verification of eligibility.

Tip: Choose the correct pair for shirt or sweater use and ensure you have the required identification or prefectural license before ordering; browse related rank sleeves and uniform accessories to complete your duty or tactical kit.
