Product short description:

The "Nastrino Motorista Nautico Corpo Forestale" is a uniform ribbon designed for personnel serving in the nautical sector of the Corpo Forestale. It represents dedication to protecting natural resources and complements maritime dress uniforms.

- **Material:** Constructed from high-quality fabric for a neat, long-lasting appearance.
- **Use:** Intended as a uniform ribbon or lapel accessory for nautical Corpo Forestale personnel.
- **Design:** Distinctive styling that conveys professional identity and recognition within the service.
- **Colors:** Reproduces the Corps' official colors for accurate representation on dress uniforms.
- **Ideal for:** Personnel who wish to proudly display their service and commitment to the environment.

Product description:

Product overview

The Motorista Nautico Corpo Forestale ribbon is a service ribbon issued for leadership and management staff who hold the Motorista Nautico qualification in the Corpo Forestale. Definition: a nastrino (service ribbon) worn to identify qualification and affiliation with the Corpo Forestale.

Designed for uniform display and for collectors of military surplus and tactical gear, this ribbon suits duty or ceremonial uniforms and can be mounted on standard ribbon bars. Availability is limited and the ribbon is produced only in the 37 mm format.

Main features

Clear, compact design made to fit onto metal ribbon holders; choose the finishing and attachment that best matches your uniform or display needs.

- **Size:** 10 mm high × 37 mm wide.
- **Design:** Blue background with a three-blade propeller at the center, enclosed by a 2 mm yellow frame.
- **Finish options:** Regular flat or slightly domed "Elite" version.
- **Attachment types:** Rear fittings available with clamps or screws (selectable when ordering).
- **Compatibility:** Can be mounted on two- or multi-place ribbon bars on a single metal base.
- **Format limitation:** Produced only in the 37 mm format.

How to use / When it’s useful

Quick answer: mount this ribbon on a ribbon bar or holder using the chosen rear fitting (clamp or screw) and position it with other service ribbons as required by uniform rules. In most cases, it is worn by personnel who have the Motorista Nautico qualification and by collectors assembling authentic ribbon displays.

Use it for formal uniforms, duty display, or as part of a military surplus collection. Choose the Elite domed finish for a slightly raised look or the regular flat version for a traditional appearance.

Care and notes

Simple care keeps the ribbon presentable on uniforms and display boards.

- Gently clean with a soft, dry cloth; avoid harsh chemicals or abrasive cleaners.
- Select the correct rear attachment (clamp or screw) when ordering to match your ribbon bar.
- Intended for personnel holding the Motorista Nautico qualification; availability is limited and the item is produced only in 37 mm.
- Compatible with two- or multi-place metal ribbon holders; ensure correct spacing on the base when combining ribbons.

FAQ

Q: Who is eligible to wear the Motorista Nautico Corpo Forestale ribbon?

A: It is issued to leadership and management personnel who hold the Motorista Nautico qualification within the Corpo Forestale. It is intended to indicate that specific qualification and affiliation.

Q: What are the exact dimensions of this ribbon?

A: The ribbon measures 10 mm in height and 37 mm in width. The 37 mm width is the only available format for this model.

Q: What finish and attachment options are available?

A: You can choose between a regular flat finish and a slightly domed "Elite" finish. Rear fittings are available as clamps or screws—select your preferred option when ordering.

Q: Can this ribbon be combined with others on a ribbon bar?

A: Yes. It can be mounted on two- or multi-place metal ribbon holders to join multiple ribbons on a single base. Ensure your chosen holder supports the 37 mm format.

Q: Is this ribbon widely available?

A: No, production is limited and the ribbon is available only in the 37 mm size. If you need a specific finish or attachment, ordering early is recommended.

Q: How should I maintain the ribbon’s appearance?

A: Wipe gently with a soft, dry cloth and avoid exposure to harsh chemicals or prolonged moisture. Proper storage on a ribbon bar helps prevent deformation and wear.

Tip: When ordering, confirm the desired finish (flat or Elite) and the rear attachment (clamp or screw) to match your ribbon holder; also check our selection of ribbon holders to assemble and display multiple ribbons correctly.
