Product short description:

The Nastrino Nocchiero Corpo Forestale is a ribbon badge honoring dedication to forest protection. Suitable for uniform wear, collectors, and supporters of the Corpo Forestale.

- **Material:** Made from high-quality materials for a durable, neat appearance.
- **Use:** Wear on uniforms or display as a collector's ribbon.
- **Design:** Elegant, distinctive ribbon that complements formal and everyday uniform styles.
- **Meaning:** A subtle symbol of recognition and belonging for those who protect our natural heritage.

Product description:

Product overview

The **Nastrino Nocchiero Corpo Forestale** is a ribbon badge issued to senior and managerial personnel who hold the Nocchiero qualification within the Corpo Forestale. It is intended for uniformed duty use and for collectors of military surplus or tactical insignia.

Definition: This ribbon badge is a small, 37 mm-wide emblem with a central helm motif on a blue field and a 2 mm yellow border, designated for qualified Corpo Forestale officers.

Main features

Designed to reflect the role and rank of the wearer, the ribbon combines precise dimensions with durable materials and multiple finishing options.

- **Exact size:** 10 mm high × 37 mm wide, yellow frame 2 mm.
- **Design:** Blue background with a central timone (helm) motif.
- **Formats:** Available as standard flat or slightly domed "Elite" finish.
- **Attachment options:** Rear fasteners with clamps or screws, selectable when ordering.
- **Quality materials:** Built for long-lasting appearance and routine uniform use.
- **Single format:** Produced only in the 37 mm width format; limited production quantities.

How to use / When it’s useful

Quick answer: Fit the nastrino to your uniform ribbon bar or to a multi-place ribbon holder to display the qualification on duty dress. It is intended for senior staff with the official Nocchiero habilitation.

In most cases, the ribbon is ordered with the preferred rear attachment (clamps or screws) and mounted on a metal ribbon bar that holds two or more nastrini together. It is suitable for duty uniforms, tactical dress displays, and military surplus collections.

Care and notes

Keep the ribbon in good condition by avoiding harsh cleaners and physical deformation; choose the attachment type that matches your ribbon bar for safe mounting.

- Avoid abrasive or chemical cleaners—wipe gently with a soft cloth.
- Do not bend or hammer the ribbon; select the correct fastener for your ribbon holder.
- Only personnel entitled to the Nocchiero qualification should wear this nastrino.
- Production is limited and the item is available only in the 37 mm format.

FAQ

Q: Who can receive the Nastrino Nocchiero Corpo Forestale?

A: It is issued to managerial and directive personnel who hold the official Nocchiero qualification within the Corpo Forestale.

Q: What are the exact dimensions of the ribbon?

A: The ribbon measures 10 mm in height and 37 mm in width, with a 2 mm yellow border and a central helm motif on a blue field.

Q: Which formats and finishes are available?

A: Available as a regular flat ribbon or a slightly domed "Elite" finish. Only the 37 mm width format is produced.

Q: What attachment options exist for mounting?

A: Rear attachments come with clamps or screws; you can select the preferred option when placing your order to match your ribbon bar.

Q: Can the ribbon be mounted on multi-place ribbon holders?

A: Yes. It can be fitted to metal ribbon holders that accommodate two or more nastrini mounted together.

Q: Is this item widely available?

A: Production is limited and the product is offered only in the 37 mm format, so availability can be restricted.

Tip: Choose the correct attachment (clamps or screws) for your ribbon holder and the preferred finish (flat or Elite) before ordering. Consider browsing related ribbon holders and matching nastrini to complete a duty-ready or military surplus display.
