Product short description:

The Nastrino Istruttore Salvamento Corpo Forestale is a ribbon badge for instructors engaged in environmental rescue and conservation. It serves as a visible recognition of training completion and professional dedication within the Corpo Forestale.

- **Material:** Made from high-quality materials for a tidy, durable appearance.
- **Use:** Symbolises the role and competence of instructors in salvage and environmental protection.
- **Wear:** Designed to be worn with pride on uniforms and official attire.
- **Recognition:** A tangible emblem awarded to those who have completed the relevant training program.

Product description:

Product overview

The Nastrino Istruttore Salvamento Corpo Forestale is a service ribbon awarded to senior and directive personnel who hold the Istruttore Salvamento qualification within the Corpo Forestale. It is intended for use on duty uniforms, ribbon bars, and by collectors of military surplus, tactical and

police insignia.

Definition: this is a 37 mm service ribbon with a blue field and a 2 mm red border, worn as a mark of instructor qualification and professional recognition.

Main features

Carefully made to maintain a professional appearance and to fit standard ribbon mounts.

- **Size:** 10 mm high × 37 mm wide, with a 2 mm red frame on a blue background.
- **Formats:** Regular flat finish or slightly convex "Elite" variant.
- **Rear attachment:** Choice of clamp or screw fasteners (selectable in the product menu).
- **Compatibility:** Suitable for two-place or multi-place ribbon bars (portanastrini).
- **Intended user:** For personnel holding the Istruttore Salvamento qualification in the Corpo Forestale.

How to use / When it’s useful

Quick answer: attach the ribbon to a standard ribbon bar using the chosen rear fastener and position it according to your service dress regulations. In most cases, it will be mounted alongside other awarded ribbons on a metal base designed for multiple ribbons.

Use this ribbon when you need a clear, duty-appropriate insignia of Istruttore Salvamento qualification—for formal uniform wear, presentations, or to complete a military surplus collection of rank and qualification ribbons.

Care and notes

Handle and mount the ribbon carefully to preserve its shape and finish; choose the correct fastener and confirm eligibility if required.

- Verify that the recipient holds the Istruttore Salvamento qualification before purchase or display.
- Select the desired attachment (clamps or screws) in the product options for correct mounting.
- Only available in the 37 mm width format; availability can be limited.
- Store flat and dry to avoid bending or color fading.

FAQ

Q: Who can receive the Nastrino Istruttore Salvamento Corpo Forestale?

A: It is conferred to senior and directive personnel who hold the Istruttore Salvamento qualification in the Corpo Forestale. It is a recognition of training and role.

Q: What are the ribbon dimensions?

A: The ribbon measures 10 mm in height and 37 mm in width, with a 2 mm red border on a blue background.

Q: Which finish options are available?

A: Two finishes: the regular flat format and the slightly convex "Elite" variant. Choose based on personal or uniform preference.

Q: What rear attachment types are offered?

A: Rear attachments are available as clamps or screws. Select the desired option from the product menu to match your ribbon bar or mounting method.

Q: Can this ribbon be mounted on multi-place ribbon bars?

A: Yes. It is suitable for mounting on two-place or multi-place metal ribbon bars that accommodate multiple ribbons on a single base.

Q: Is the ribbon always in stock?

A: The ribbon is available only in the 37 mm format and stock may be limited. Check current availability when ordering.

Tip: When adding this item to your cart, confirm the preferred finish (flat or Elite) and rear attachment type. Also consider browsing related ribbon bars and mounting accessories to ensure proper display and fit.
