Product short description:

Low-visibility embroidered patch of the Brigata Pozzuolo del Friuli, crafted for military history enthusiasts and collectors. The patch offers a discreet yet detailed rendition of the brigade emblem and is suitable for application on uniforms, backpacks or jackets.

- **Material:** High-quality embroidered construction for durable, well-defined stitching.
- **Use:** Designed for attachment to uniforms, backpacks or jackets.
- **Design:** Subdued color palette and refined stitching that preserves the emblem's historical character.
- **Style:** Discreet, professional appearance that integrates easily with varied clothing and gear.

Product description:

Product overview

The Scudetto Ricamato Brigata Pozzuolo del Friuli Bassa Visibilità is a low-visibility embroidered shield patch made for Italian Army personnel and authorized collectors. It represents the Pozzuolo del Friuli Cavalry Brigade and is intended for use on duty uniforms and tactical garments.

Definition: a low-visibility embroidered military patch with rear Velcro for attachment. This product is reserved for serving military staff and verified collectors under the conditions described below.

Main features

Compact, durable and made for field use, this military patch combines identification and subdued design for tactical wear.

- **Distinctive design:** Shield shape featuring a catafratto (armored horseman) at the center, symbolizing the Brigata di Cavalleria Pozzuolo del Friuli.
- **Low-visibility finish:** Subdued colors suitable for tactical and duty use.
- **Durable construction:** Embroidered with quality materials for longevity and resistance to everyday wear.
- **Rear Velcro:** Secure hook-and-loop backing for easy attachment to camouflage uniforms and tactical gear.
- **Size:** 5.5 cm width x 7 cm height — compact and not intrusive on the uniform.
- **Restricted availability:** Sold only to Italian Army personnel and authorized collectors with required documentation.

How to use / When it’s useful

Quick answer: attach the patch by pressing the Velcro side onto the corresponding loop field on your uniform or tactical vest. It is suitable for duty uniforms, tactical jackets, and certified display on authorized apparel.

In most cases, this patch is used for unit identification, ceremonial display by serving personnel, or collection by verified hobbyists. Delivery and sale require document verification, so plan for additional processing time when ordering.

Care and notes

Keep the patch functional and presentable with simple handling and awareness of sale restrictions.

- Attach and remove using the Velcro to avoid stressing the embroidery.
- Store flat and dry to preserve shape and stitching.
- Avoid high-heat ironing directly on the patch; remove before machine laundering when possible.
- Sale is restricted: buyers must provide military ID or indicate a barracks delivery address;

collectors need a prefectural license under art. 28 TULPS.
- Limited quantities available; orders are processed after verification of required documents.

FAQ

Q: Who is allowed to buy this Scudetto?

A: Only serving personnel of the Italian Army and collectors who hold a valid prefectural license (art. 28 TULPS) can purchase this patch. Orders are verified before fulfillment.

Q: What are the exact dimensions?

A: The patch measures 5.5 cm wide by 7 cm high. It is compact and designed to fit standard uniform patch fields without being obtrusive.

Q: How do I attach the patch to my uniform?

A: The patch has a rear Velcro hook backing that mates to the loop field on camouflage or tactical garments. Press firmly to secure and check alignment before use.

Q: Can I buy the patch without showing military ID?

A: No. Sales are restricted. You must provide a copy of your military ID or specify delivery to your barracks. Collectors must submit the required prefectural license.

Q: How long will delivery take?

A: Delivery times vary by location and by the time needed to verify the required documents. Expect additional processing time while verification is completed.

Q: Is the patch suitable for tactical or field use?

A: Yes. The low-visibility embroidery and durable construction make it appropriate for duty and tactical garments, provided it is attached to the approved loop field on the uniform.

Tip: Choose the correct placement on your uniform and have required documentation ready before ordering. Browse related military patches and tactical insignia to complete your set while items remain available.
