Product short description:

The Porta Cellulare Cordura Nera is a compact Cordura phone pouch for anyone who needs a practical, stylish way to protect and carry a mobile device while on the move.

- **Material:** Durable Cordura fabric for long-lasting wear.
- **Protection:** Protects your device from scratches and minor impacts.
- **Closure:** Hook-and-loop fastener for quick, secure access.
- **Carry:** Compact and lightweight — fits in a bag or can be attached to a belt.
- **Design:** Minimalist black finish that suits any style.

Product description:

Product overview

The Cordura Black Phone Pouch is a belt-mounted carrier for people who need a durable, hands-free way to carry a smartphone — suitable for tactical, duty and everyday use. Definition: a Cordura fabric phone pouch with an adjustable Velcro flap and a metal snap belt attachment.

Made from hard-wearing Cordura, it protects the phone while keeping it quickly accessible. The pouch is compact and discreet, ideal for military surplus collectors, police gear users, or anyone who prefers a reliable belt pouch; black is in stock and other colors are available via the dropdown.

Main features

Simple, functional design focused on protection and fast access. Common keyword variations: tactical phone pouch, military surplus phone holder, duty belt phone pouch.

- **Durable Cordura fabric:** abrasion-resistant for long service life.
- **Adjustable flap with Velcro:** fits a range of smartphone sizes securely.
- **Belt attachment:** metal snap button plus Velcro on the back for easy fastening to belts or straps.
- **Compact dimensions:** 14 cm height x 7.5 cm width — compatible with most smartphones.
- **Available colors:** black (in stock), blue, white and green (selectable in the dropdown).

How to use / When it’s useful

Quick answer: slide the pouch onto your belt and secure the snap; place your phone inside and close the Velcro flap for a snug fit. The adjustable flap allows use with most common phone sizes while keeping the device protected.

In most cases, this pouch is useful for patrols, fieldwork, outdoor activities, or daily carry when you want your phone protected but within immediate reach. It works well with duty belts, tactical kits, or casual belts.

Care and notes

Basic care keeps the Cordura looking and performing well without special cleaning methods.

- Clean with a damp cloth; avoid machine washing to preserve fabric and attachments.
- Check the pouch dimensions (14 cm H x 7.5 cm W) before purchase to ensure phone compatibility.
- Fasten the metal snap and Velcro securely to prevent accidental loss when worn on a belt.
- Black is stocked; other colors may be limited or require selection from the dropdown.

FAQ

Q: Is the pouch compatible with all smartphone models?

A: The adjustable Velcro flap fits most smartphones, but check the 14 cm x 7.5 cm internal size to be sure your model fits comfortably.

Q: How do I attach the pouch to my belt?

A: Use the metal snap button and Velcro strap on the back to secure it to belts or webbing. Make sure the snap is fully closed for a secure fit.

Q: Can I clean the pouch in a washing machine?

A: No. Wipe Cordura with a damp cloth to remove dirt. Avoid machine washing to protect the fabric and fasteners.

Q: What colors are available?

A: The pouch is available in black (in stock). Blue, white and green are available as selectable options via the product dropdown and may have limited availability.

Q: Is the pouch suitable for tactical or police use?

A: Yes. Its durable Cordura construction and secure belt attachment make it suitable for tactical, duty and police gear setups where a reliable phone pouch is needed.

Q: Are there any warnings about use?

A: Ensure the pouch size matches your phone and fasten the snap and Velcro correctly. Do not expose the pouch to excessive heat or harsh chemicals.

Tip: Choose the color variant and confirm the dimensions (14 cm H x 7.5 cm W) before adding to cart; browse related tactical and duty accessories to complete your setup.
