Product overview

The Gradi Metallo Dirigente Polizia Locale FVG are a pair of metal rank insignia for the Dirigente

(commander) of the Polizia Locale in Friuli Venezia Giulia, designed to be worn on the rigid epaulettes of the ordinary uniform. They are intended for police duty use by authorized Polizia Locale personnel.

Definition: a matched pair of gold-tone metal crowns topped by three five-point stars, made for rigid shoulder boards. Availability is limited and sale is restricted: purchase requires verification of membership or an approved licence for collectors.

Main features

Clear, durable rank insignia with secure fastenings suitable for duty uniforms and tactical or police presentation.

- **High-quality metal:** gold-tone metal construction for a professional look and long service life.
- **Distinctive design:** pair of turreted crowns each topped by three five-point stars.
- **For rigid epaulettes:** made specifically for the rigid shoulder boards of the ordinary uniform.
- **Screw fastenings:** rear screw attachments provide a secure hold during service.
- **Reserved supply:** product reserved for Polizia Locale personnel; collectors may buy only with proper licence.

How to use / When it’s useful

Attach the pair to the rigid epaulettes using the rear screws; tighten carefully so the insignia sit straight and secure. Useful whenever a clear, official rank display is required on the ordinary uniform, for daily duty or formal appearances.

Quick answer: use the rear screw attachments to fix the insignia to rigid shoulder boards. In most cases, these ranks are worn by Dirigente-level officers of the Polizia Locale FVG and must be purchased only after verification of entitlement.

Care and notes

Maintain the appearance and fastening of the metal ranks by checking screws periodically and storing them protected when not in use.

- Verify entitlement before purchase: send a copy of your Polizia Locale ID or use the command HQ as delivery address.
- Collectors: purchase allowed only with a prefectoral licence under art. 28 TULPS.
- Fasten carefully to avoid stressing or piercing uniform fabric during installation or removal.
- Limited availability: demand is high, so expect possible lead times.
