Product overview

The Defender Gloves are padded black leather gloves with a hook-and-loop wrist closure and

removable knuckle inserts, designed for users who need reliable hand protection and comfort. They suit tactical operators, police and security personnel, as well as anyone needing durable duty or everyday protection.

Definition: Defender Gloves are padded leather gloves with removable knuckle protection and an adjustable wrist strap.

Main features

Built for protection and wearability, with details that support tactical, duty and everyday use.

- **High-quality leather:** Durable black leather for long-lasting wear and a professional look.
- **Protective padding:** Padded sections on the palm and back of the hand for impact and abrasion resistance.
- **Hook-and-loop wrist closure:** Adjustable strap for a secure, customizable fit.
- **Removable knuckle inserts:** Knuckles sit in an upper pocket and can be removed when not needed.
- **Comfort fit:** Soft leather conforms to the hand for immediate comfort during use.
- **Available sizes:** Offered in multiple sizes—please consult the size guide to find the right fit.

How to use / When it’s useful

Quick answer: Put the gloves on, fasten the wrist strap, and insert or remove the knuckle inserts from the upper pocket depending on the level of protection you need. The strap keeps the glove secure during active use.

In most cases, these gloves are suitable for duty work, patrol, security, tactical training and everyday tasks that demand extra palm and knuckle protection. Remove the knuckles for lower-profile comfort or when full knuckle protection is unnecessary.

Care and notes

Simple care will keep the leather and padding in good condition and extend glove life.

- Wipe clean with a damp cloth; avoid soaking the leather.
- Avoid harsh detergents or aggressive cleaners that can damage the leather.
- Remove the knuckle inserts before cleaning or storing the gloves.
- Air dry away from direct heat and store in a cool, dry place.

FAQ

Q: What sizes are available for the Defender Gloves?

A: The gloves are offered in multiple sizes to ensure a proper fit. Check the provided size guide

image or size chart on the product page to select the best size for your hand.

Q: How do I remove the knuckle inserts?

A: The knuckles are removable from an upper pocket on the glove. Slide them out gently when you need a slimmer profile or want to clean the gloves.

Q: Are these gloves suitable for everyday use?

A: Yes. Defender Gloves are designed for daily wear and offer comfort and protection for routine tasks as well as more demanding duty situations.

Q: How should I clean the Defender Gloves?

A: Clean with a damp cloth and mild care; avoid harsh detergents and machine washing. Remove knuckle inserts before cleaning to protect both inserts and leather.

Q: What is the return policy for these gloves?

A: You can return the gloves within 30 days if you are not satisfied. Please check the store’s return terms for any conditions such as original packaging or proof of purchase.

Q: Are these gloves in stock?

A: Defender Gloves are in high demand and availability can be limited. If stock is low, consider ordering soon or selecting an alternate size while supplies last.

Tip: Choose the right size by consulting the size guide before ordering, and consider browsing related tactical, duty and police gloves to find the best match for your needs.
