Product description:

Product overview

The Targhetta Personalizzata Pilota Aviazione Leggera Esercito is a personalized embroidered

ID patch made for pilots of the Aviazione Leggera Esercito. It is intended for active military personnel who need clear identification and a professional-looking patch on duty or in tactical gear.

Definition: A 9 x 5 cm embroidered name and blood-group patch, reserved for Aviazione Leggera Esercito personnel and collectible buyers with the required license.

Main features

Practical, durable and recognizable, this patch combines identification and unit insignia for military use, tactical kits, and formal uniform applications.

- **Distinctive design:** green background with a gold-thread embroidered eagle (wings open) and a torch bent to the right.
- **Personalization:** add pilot's name, surname and blood group for fast, clear ID in critical situations.
- **Size:** 9 x 5 cm — readable without affecting comfort during wear.
- **Purchase rules:** sale reserved to Aviazione Leggera Esercito personnel; verification required at registration.
- **Order minimum:** purchase from a minimum of 6 pieces.
- **Delivery time:** estimated 10–15 days from order confirmation.
- **Quality:** made with durable materials and careful embroidery for long-lasting appearance.

How to use / When it’s useful

Attach the patch to flight jackets, uniforms or tactical loadouts to ensure quick identification and unit recognition during duty or training. It also serves as a formal insignia for base or unit events.

Quick answer: use it when you need clear, personalized ID on your uniform or gear. In most cases, the patch is ordered through the site with verification of service card or barracks location during registration.

Care and notes

Designed for regular use on military clothing and tactical equipment. Follow standard uniform care to preserve embroidery and colour.

- Verify eligibility: military ID or service details required when registering.
- Collectors: send a copy of the licenza prefettizia ex art. 28 TULPS to complete purchase.
- Minimum order of 6 pieces applies.
- Allow 10–15 days for production and delivery after order confirmation.
- Sale reserved to Aviazione Leggera Esercito personnel; unauthorized sale is not permitted.

FAQ

Q: Who can buy this patch?

A: Only active personnel of the Aviazione Leggera Esercito may purchase this product, subject to verification of service during site registration.

Q: What are the patch dimensions?

A: The patch measures 9 x 5 cm, chosen to be easily readable while remaining comfortable on uniforms and tactical gear.

Q: How long does delivery take?

A: Estimated delivery is 10–15 days from order confirmation, depending on production and verification times.

Q: Can I personalize the patch?

A: Yes. You can add the pilot’s name, surname and blood group in the personalization fields at checkout.

Q: Can collectors buy this patch?

A: Collectors may purchase it only after submitting a copy of the licenza prefettizia ex art. 28 TULPS as proof required by law.

Q: What documents are needed to verify eligibility?

A: Verification requires a military ID card or indication of your service barracks during registration on the site to confirm Aviazione Leggera Esercito affiliation.

Tip: Choose the correct personalization details and order quantity before checkout; consider browsing related tactical and military surplus items to complete your kit.
