How to use / When it’s useful

These gloves are intended for everyday uniform duty, inspections, patrols and general field tasks where a neat appearance and basic hand protection are required. They work well for both military and police duties and for civilians needing sturdy tactical gloves.

Quick answer: Use them for standard duty tasks when you need good grip and dexterity without extra insulation.
In most cases: choose the size that matches your hand measurement on the Tutto Militare size guide to ensure proper fit and control during operations.

Care and notes

Basic care will extend the life of the leather and keep the gloves ready for duty. Note that being unlined means limited insulation in cold conditions.

- Wipe with a damp cloth to remove dirt; let dry naturally away from direct heat.
- Apply a leather conditioner sparingly to maintain suppleness (test first on a small area).
- Do not machine wash or soak; avoid abrasive chemicals.
- Unlined design provides less thermal insulation—consider lined gloves for extreme cold.

FAQ

Q: What sizes are available for these gloves?

A: Sizes available are Small, Medium, Large and Extra Large. We recommend checking the Tutto Militare size guide to match your hand measurements for the best fit.

Q: Are these gloves only for military personnel?

A: They are designed for military uniform use but are suitable for police, security staff and civilians who need durable, unlined leather gloves for duty or tactical tasks.

Q: Are the gloves lined?

A: No, these are unlined ("sfoderati") gloves. The lack of lining improves dexterity and tactile feedback but offers limited insulation against very cold temperatures.

Q: How should I clean and maintain them?

A: Clean with a damp cloth and dry naturally. Use leather conditioner occasionally to preserve flexibility. Do not machine wash or immerse in water.

Q: What are the delivery times?

A: Delivery times vary by location; orders are typically processed and shipped within a few business days. Exact timing depends on your address and chosen shipping option.

Q: Can I return the gloves if the size is wrong?

A: Yes, Tutto Militare accepts returns under its returns policy for items that do not fit or meet expectations. Keep the original packaging and follow the store return instructions.

Tip: Measure your hand and consult the Tutto Militare size guide before ordering to choose the correct size. Consider browsing related tactical and duty gloves to compare lining options and find the best match for your needs.
