Product short description:

The Giubbino Antiproiettile Underwear US IIIA is a discreet, IIIA-certified soft body armor vest designed to be worn under clothing. It provides reliable ballistic protection while prioritizing comfort and mobility for users who require unobtrusive defense.

- **Material:** Lightweight, durable fabrics that reduce bulk and allow extended wear.
- **Protection:** Certified to IIIA standards to defend against common ballistic threats.
- **Fit:** Low-profile cut designed to sit comfortably under everyday garments.
- **Use:** Ideal for personal protection when discreet coverage is required.

Product description:

Product overview

The Giubbino Antiproiettile Underwear US IIIA is a soft ballistic vest designed for military, police and private security personnel who need discreet, comfortable protection during duty. Definition: a NIJ 0101.04 IIIA-rated vest providing certified soft-ballistic protection for handgun threats.

This tactical-style under-armor vest is lightweight, fits under clothing and uses an external cotton-blend cover with Velcro adjustments for a secure, duty-ready fit. Sale is restricted to authorized personnel with proof of affiliation.

Main features

Compact, certified and adjustable—key features support prolonged wear and easy panel insertion.

- **NIJ 0101.04 / IIIA protection**: Certified to NIJ 0101.04 standards and homologated with Banco di Prova Nazionale certificate prot. 228/BAL-AG/vp del 23/11/2012.
- **Comfortable outer cover**: Lightweight cotton-blend vest cover for a natural feel under clothing.
- **Velcro adjustments**: Shoulder and side Velcro straps allow quick fit tuning for duty or tactical use.
- **Internal Velcro panel entry**: Lower internal Velcro opening for inserting ballistic panels without irritating the body.
- **Removable shirt-style extension**: Extension can be worn tucked into trousers to prevent shifting during movement.
- **Model notes**: Product name and variants appear as Giubbino Antiproiettile Underwear US IIIA; the original description also references Thor 2 and anti-cut SK25J.

How to use / When it’s useful

Quick answer: Wear the vest under or over your uniform for discreet protection during patrols, guard duties or operations where comfortable ballistic protection is needed. In most cases, adjust the shoulder and side Velcro for a snug, non-restrictive fit and ensure panels are correctly positioned before use.

This vest is useful for military, police, and private security personnel who require a low-profile ballistic solution compatible with tactical and duty clothing. Keep authorization documents ready when ordering or receiving delivery.

Care and notes

Basic handling and ordering notes to keep the vest effective and compliant.

- Remove ballistic panels before cleaning the outer cotton-blend cover, following any manufacturer cleaning instructions.
- Always check that Velcro fasteners are secure and ballistic panels are properly seated before wearing.
- Sale restricted: purchase is reserved for military, police or private security staff upon submission of ID proving affiliation.
- Delivery time: expect 15–20 days from order due to limited availability and demand.

FAQ

Q: Who can buy the Giubbino Antiproiettile Underwear US IIIA?

A: Sales are reserved for military, police and authorized private security personnel. You must send a copy of your ID card proving affiliation to complete the purchase.

Q: What level of ballistic protection does the vest provide?

A: The vest is rated IIIA and certified to NIJ 0101.04 standards, as stated in the product documentation.

Q: Is the product certified?

A: Yes. It is homologated with Banco di Prova Nazionale certificate prot. 228/BAL-AG/vp dated 23/11/2012 and declared compliant with NIJ 0101.04.

Q: How long does delivery take?

A: Delivery is typically within 15–20 days from the order date due to current demand and limited stock.

Q: Is the vest comfortable for long shifts?

A: The external cotton-blend cover and adjustable Velcro straps are designed for prolonged wear and a better fit; ensure panels are properly positioned for comfort.

Q: What are the model details or variants?

A: The product is listed as Giubbino Antiproiettile Underwear US IIIA. The original description also references Thor 2 and anti-cut SK25J as noted model details.

Tip: Choose the correct variant and fit for your duty requirements and keep authorization ID ready when ordering; browse related tactical and military surplus items to complete your setup.
