How to use / When it’s useful

Quick answer: wear the badge on the uniform or keep it in a display case as part of a collection. It is sized to fit standard service uniform placements and is also appropriate for collectors of military surplus and tactical memorabilia.

In most cases, ordering requires sending a copy of your military ID (tesserino) or specifying the barracks address for delivery during registration; collectors must provide the prefettizia license ex art. 28 TULPS. This ensures the badge remains reserved for authorized personnel and verified collectors.

Care and notes

Keep the badge in good condition with simple care: avoid harsh chemicals, store dry, and attach securely when worn on duty or display.

- Avoid abrasive cleaners and solvents to protect the enamel finish.
- Wipe gently with a soft, dry cloth; store in a dry place when not in use.
- Ensure secure attachment to uniform to prevent loss during duty.
- Sales restrictions apply: proof of Esercito membership or prefettizia license ex art. 28 TULPS is required.
