Product features:

Product short description:

Fascetta Metallo Rafah is a stainless steel clamp designed for secure, long-lasting fastening. Ideal for professionals and DIY users in industrial, automotive and domestic environments that require a dependable fixing solution.

- **Material:** Stainless steel construction for corrosion resistance and extended service life.
- **Use:** Versatile design suitable for industrial, automotive and household fastening and repair tasks.
- **Performance:** Provides a firm, reliable hold even in demanding or harsh conditions.
- **Installation:** Easy to fit and lock in place using common tools for quick, secure assembly.

Product description:

Product overview

The Fascetta Metallo Rafah is a bronzed metal band designed to hang on the ribbon of a commemorative cross for overseas peace missions. It is intended for military units, veterans, memorial organizers, collectors and retailers of tactical or military surplus items who need an

authentic emblem linking to the EUBAM RAFAH mission.

Definition: the Fascetta Metallo Rafah is a bronzed metal laurel band engraved "RAFAH", sized for a 37 mm cross ribbon. This small emblem serves as a visible mark of participation, recognition and international cooperation on memorial displays.

Main features

Clear, durable design made specifically for commemorative crosses and ceremonial ribbons.

- **Design:** Fruit-bearing laurel wreath with a cartouche engraved "RAFAH".
- **Material:** Bronzed metal, weather-resistant and suitable for long-term display.
- **Size:** For 37 mm format; overall dimensions 5 x 40 mm.
- **Purpose:** Marks participation in the EUBAM RAFAH peace mission for recognition on commemorative crosses.
- **Use cases:** Suitable for memorials, unit displays, museums and tactical/military surplus retailers.

How to use / When it’s useful

Attach the Fascetta Metallo Rafah to the ribbon of a 37 mm commemorative cross so the cartouche and laurel are centered and visible. It is mainly used where a clear, dignified marker of service or mission participation is required.

Quick answer: Use it on the ribbon of a 37 mm commemorative cross to identify EUBAM RAFAH participation.
In most cases, it is placed at the top of the ribbon above the cross or alongside other campaign bands for unit or memorial displays.

Care and notes

Simple care preserves appearance; the bronzed finish will develop a natural patina over time, which many consider part of its character.

- Wipe with a soft, dry cloth; avoid abrasive cleaners or strong chemicals.
- Designed for outdoor or indoor display; patina may form with weather exposure.
- Available only in the 37 mm format (5 x 40 mm) and not customizable.
- Limited availability: stock can be constrained due to demand for mission-specific items.

FAQ

Q: What are the dimensions of the Fascetta Metallo Rafah?

A: The fascetta is made for the 37 mm format and measures 5 x 40 mm. It is sized specifically to

fit the ribbon of a 37 mm commemorative cross.

Q: What material is the band made from?

A: It is crafted from bronzed metal, chosen for durability and its ability to develop a distinguished patina over time. It withstands normal outdoor exposure.

Q: What does the fascetta represent?

A: The band signifies participation in the EUBAM RAFAH peace mission and honors units and individuals involved in that mission. It is a symbol of service and international cooperation.

Q: Can the fascetta be personalized or engraved with a different name?

A: No. The fascetta is supplied with the fixed inscription "RAFAH" and is not available for personalization or alternate engravings.

Q: How do I purchase the Fascetta Metallo Rafah?

A: Add the product to your cart on this page to reserve a unit. Note the single available size (37 mm) before checkout to ensure compatibility with your commemorative cross.

Q: Is this item suitable for tactical or police memorabilia displays?

A: Yes. It fits well in tactical, military surplus and police memorabilia collections where mission recognition and ceremonial display are required.

Tip: Confirm the ribbon width (37 mm) before ordering and consider browsing related commemorative bands and crosses in our military surplus and tactical sections to complete your display.
