Product overview

The Fascetta Metallo Iraq is a bronzed metal strap designed for collectors, veterans, museums, and anyone who displays commemorative medals and ribbons. It is intended to be attached to the ribbon of a commemorative cross for peacekeeping missions abroad.

Definition: a bronzed metal ribbon band stamped with a laurel wreath and the mission name "IRAQ", made for 37 mm ribbon mounts. Useful for military surplus collectors, tactical memorabilia, duty displays, and police or veteran collections.

Main features

Compact, symbolic, and made for display or mounting on commemorative ribbons.

- **Distinctive design:** Fruited laurel wreath inside a cartouche with the mission name **IRAQ**.
- **Material:** Bronzed metal for a traditional appearance.
- **Size:** Available only in the 37 mm format; measures 5 x 40 mm.
- **Fits ribbon:** Made to hang on the ribbon of a commemorative cross without adding bulk.
- **Collector value:** Historical symbol of participation in peacekeeping efforts, suitable for military surplus and memorabilia collections.
- **Accessible price:** Positioned to be affordable for collectors and enthusiasts.

How to use / When it’s useful

Quick answer: attach the fascetta to the ribbon of a commemorative cross or use it in a display of medals and military surplus items. It is sized to fit standard 37 mm ribbon mounts.

In most cases, collectors, museums, and veterans will use it as a single ribbon band to represent service in Iraq or to complete a commemorative set. It also works well in framed displays, shadow boxes, or reproductions of duty ribbons for exhibitions.

Care and notes

Basic care keeps the bronzed finish presentable and preserves the piece for display or storage.

- Clean with a soft, dry cloth; avoid abrasive cleaners or strong chemicals.
- Store in a dry place to minimize tarnish; avoid prolonged exposure to moisture.
- Handle gently to prevent bending or scratching the metal.
- Limited availability: stock can be low due to demand and the product’s collectible nature.
