- **Design:** Classic rank motif symbolising leadership, honour and dedication.
- **Durability:** Made to maintain a neat appearance over time with normal wear.
- **Fit:** Suitable for standard uniform placement to add a touch of distinction.

Product description:

Product overview

The Gradi Metallo Maresciallo Capo Esercito are a pair of metal rank insignia for Maresciallo Capo, made for personnel of the Italian Army and intended to be worn on rigid shoulder boards of

the ordinary uniform. Definition: a metal rank badge pair with screw-back attachments for secure fit on the uniform.

These military rank insignia (also relevant for tactical, duty or military surplus collections) are produced with a black enamel background and three gold-tone bars. Sale and delivery are restricted to authorized military personnel or verified collectors under the applicable licensing rules.

Main features

Compact, durable and designed for correct placement on the Army uniform.

- **Trapezoid shape** on black enamel background for a professional look.
- **Three raised gold-tone bars** with black streaking, arranged parallel to indicate Maresciallo Capo rank.
- **Size:** 5 cm width x 3.5 cm height — supplied as a pair.
- **Durable metal construction** made to keep its appearance during regular use.
- **Screw-back attachments** on the rear for a secure and lasting fit to rigid shoulder boards.
- **Restricted availability** — reserved for military personnel and verified collectors.

How to use / When it’s useful

Quick answer: attach each badge to the rigid shoulder boards of the ordinary Army uniform using the rear screw fittings for a secure fit. These insignia are intended for active duty wear, uniform replacement or for verified military collections.

In most cases, they are used on daily duty or ceremonial uniforms where correct rank display is required. Collectors may also purchase them if they provide the required prefectural license (art. 28 TULPS) and verification documents.

Care and notes

Keep the insignia clean and store them dry to preserve finish and metal parts. Note the purchase and delivery restrictions below.

- Wipe with a soft, dry cloth; avoid abrasive cleaners that could damage enamel or finish.
- Store in a dry place to prevent corrosion or tarnish.
- Sale requires a copy of military ID or the barracks address as delivery location recorded in your account.
- Collectors must provide the prefectural license ex art. 28 TULPS for verification before purchase.

FAQ

Q: Who can purchase these rank insignia?

A: Only military personnel with proof of service or collectors with the required prefectural license (art. 28 TULPS) may buy them. Delivery must meet the stated verification rules.

Q: What are the exact dimensions?

A: Each rank badge measures 5 cm wide by 3.5 cm high and is supplied as a pair suitable for both shoulder boards.

Q: How are the insignia attached to the uniform?

A: They use screw-back attachments on the rear, designed for secure and durable fastening to rigid shoulder boards of the ordinary Army uniform.

Q: What materials are used?

A: The badges are made of metal with a black enamel background and three raised gold-tone bars with black streaking. No additional technical specifications are claimed.

Q: Can collectors buy these if they are not serving military personnel?

A: Yes, collectors can purchase them only after sending a copy of the prefectural license required by art. 28 TULPS for verification. Orders without proper documentation cannot be completed.

Q: Is availability limited?

A: Yes. These items are offered in limited quantities and are in demand among service members and verified collectors, so orders should be placed promptly when eligible.

Tip: Choose the correct variant and confirm delivery details during account registration (use your barracks address if applicable). Browse related rank insignia and uniform accessories to complete your kit or collection.
