Product overview

The MA66 Green Accessory Pouch is a compact organizer for small electronics and everyday tools, designed for outdoor use, travel, and duty carry. It is ideal for hikers, commuters, tactical users and anyone who needs quick access to a phone, GPS or small camera.

Definition: A small, durable accessory pouch with multiple attachment options. Built from quality materials for long-lasting use and offering limited availability; suitable for tactical, military surplus and police-duty style setups.

Main features

Key features at a glance:

- **Front pocket with hook and closure ring** – secure storage for a phone, MP3 player or other small devices.
- **Double main compartments with zip** – two zippered sections for a compact camera, GPS and accessories.
- **Multiple attachment options** – fits MOLLE webbing, standard belts and attaches with a carabiner (moschettone).
- **Compact dimensions** – measures 14 cm (L) x 9 cm (H) x 5.5 cm (D).
- **Splash-resistant construction** – resists light splashes but is not fully waterproof.
- **Durable build** – made from quality materials for everyday and outdoor use.

How to use / When it’s useful

Quick answer: Use the MA66 to keep phones, GPS units, compact cameras and small accessories organized and protected while on the move. Attach it to your belt, backpack, or tactical vest for hands-free carry.

In most cases, the pouch is useful for day hikes, travel, commuter use and duty routines where compact, accessible storage is needed. Its MOLLE, belt and carabiner options make it easy to switch between gear setups.

Care and notes

Simple care keeps the pouch functional and looking good. Follow these basic guidelines:

- Wipe clean with a damp cloth; air dry completely before storing.
- Avoid submerging in water; not guaranteed waterproof.
- Check and secure zips, hook and carabiner before activity.
- Store away from prolonged direct sunlight to preserve color and material.

FAQ

Q: What devices fit inside the MA66 Green pouch?

A: It fits most smartphones, MP3 players, compact digital cameras, GPS units and similar small electronics. Use the front pocket for quick-access items and the main compartments for bulkier gear.

Q: Is the pouch waterproof?

A: The pouch offers good resistance to splashes and light rain but is not fully waterproof. Avoid submerging the pouch or exposing it to heavy, prolonged rain.

Q: Can I attach it to my backpack or tactical vest?

A: Yes. The pouch supports MOLLE attachment, standard belt carry and can be hooked on with a carabiner for quick mounting to backpacks or vests.

Q: What are the exact dimensions?

A: Dimensions are 14 cm length x 9 cm height x 5.5 cm depth. Check these measurements to ensure your device will fit comfortably.

Q: Is the MA66 available in other colors?

A: Currently the MA66 model is available in green only. Check product listings for any future color updates.

Q: Is this pouch suitable for tactical, military or police use?

A: The pouch is designed with tactical-style features (MOLLE, belt, carabiner) and is suitable for duty-style carry and military surplus setups. It does not imply compliance with any specific official standards.

Tip: Choose the right accessory configuration for your setup—confirm device dimensions before purchase and consider pairing the MA66 with MOLLE-compatible belts or backpacks. Browse similar pouches in our tactical accessory range to find the best match for your needs.
