Product features:

Product short description:

Winter plastic tubular covers for the Generale di Brigata uniform of the Carabinieri. An essential accessory for official dress, they protect the uniform and help maintain a professional, neat appearance in cold weather.

- **Material:** High-quality plastic built for resistance and long service life in harsh conditions.
- **Use:** Intended for official uniform wear to preserve a disciplined, orderly look.
- **Design:** Low-profile, discreet styling that integrates with the uniform.
- **Application:** Easy to fit and remove for practical daily use.
- **Heritage:** Reflects the quality and tradition of Italian military uniform equipment.
