### Product overview

These Gala Cufflinks for Shirts are a pair of black-finished brass cufflinks designed for anyone who wants a refined touch on formal wear. They suit weddings, gala events, tuxedos and shirts with double cuffs, and can also complement dress or duty uniforms.

Definition: Black brass cufflinks for double-cuff shirts, sold as a pair. Compact design and a

secure safety back closure make them a simple, elegant dress accessory.

### Main features

Practical and understated, these cufflinks combine durable materials with a classic look suitable for formal and uniform use.

- **High-quality material:** Made from solid brass for durability.
- **Black finish:** Matte black styling for a modern, formal appearance.
- **Refined design:** Simple, elegant shape that pairs well with tuxedos and formal shirts.
- **Secure closure:** Rear safety lock keeps cufflinks in place all day.
- **Compact size:** 1.5 cm width x 2 cm depth — noticeable but not bulky.
- **Sold as a pair:** One pair per package, ready to wear.

### How to use / When it's useful

Quick answer: Insert through both cuff buttonholes, then tilt the safety back to lock the cufflink in place. They are perfect with tuxedos, formal shirts with double cuffs, and as a subtle accessory for dress or duty uniforms.

In most cases, these cufflinks are used for weddings, galas and formal events, but they also work well for daily formal wear or any uniformed duty situation that requires a neat, low-profile accessory.

### Care and notes

Keep the finish clean and avoid harsh treatments to preserve the appearance and function of the safety closure.

- Clean with a soft brush or a dry cloth only.
- Do not use detergents, polishes or chemical cleaners.
- Store in a dry place to prevent moisture build-up.

### FAQ

**Q:** What material are the cufflinks made of?

**A:** They are made from high-quality brass with a black finish for a durable, formal look.

**Q:** How do I put the cufflinks on?

**A:** Insert the post through both cuff holes and tilt the rear safety lock until it lies flat to secure the cuff edges.

**Q:** Can I clean them with metal polish or detergent?

**A:** No. Clean only with a soft brush or a dry cloth. Avoid detergents, chemical cleaners and abrasive polishes.

**Q:** What are the exact dimensions?

**A:** Each cufflink measures 1.5 cm in width and 2 cm in depth.

**Q:** Are these cufflinks sold as a single piece or a pair?

**A:** They are sold as a pair, suitable for both cuffs on a shirt.

**Q:** Are these suitable for uniformed or duty wear?

**A:** Yes, their discreet design and black finish make them appropriate for dress uniforms and formal duty occasions.

**Tip:** Choose the right style and size for your shirt cuff type and browse related dress accessories to complete your look; consider pairing with matching studs or a discreet lapel pin for a coordinated outfit.
