Product features:

Product short description:

Travette Plastica Aeronautica Militare Luogotenente are rank bars intended for service members, veterans and collectors seeking an authentic, refined insignia. They suit uniform use and special or ceremonial occasions where a formal, traditional accent is needed.

- **Material:** Made from high-quality plastic with a refined finish to present the insignia clearly.
- **Use:** Suitable for uniform wear, ceremonies, commemorations, or as a display piece for collectors.
- **Design:** Traditional, understated styling with careful detailing that reflects the rank.
- **Heritage:** A respectful tribute to the history and values of the Aeronautica Militare.
