- **Condition:** Preserved as a durable tribute to service and loyalty.
- **Significance:** Symbol of military honour and recognition of heroic service.

Product description:

Product overview

The Croce Cavaliere dell'Ordine Militare d'Italia (Knight's Cross of the Military Order of Italy) is a state military decoration awarded for exceptional leadership and valor in combat. This listing is aimed at collectors, museums, militaria enthusiasts, and anyone who wants an authenticated historical decoration for display or ceremonial use.

Definition: The Knight's Cross of the Military Order of Italy is a state honor given for outstanding command and bravery in the presence of the enemy. Suitable for military surplus collectors, tactical memorabilia collections, duty displays, and police or security historical exhibits.

Main features

Classic design and authentic details reflect the decoration's long history and official symbolism.

- **Shape:** Four-armed enameled cross with lanceolate arms, 4 cm diameter.
- **Front decorations:** Right quadrant shows an oak wreath (strength), left quadrant a laurel branch (victory), both in green enamel with red berries.
- **Central medallion:** White field with the monogram “RI” (Repubblica Italiana) surrounded by a red band reading “AL MERITO MILITARE”.
- **Reverse:** Red background with two crossed sabers pointing upwards and the years 1855 and 1947 marked to show foundation and reform.
- **Ribbon:** Blue ribbon 37 mm wide with a central red stripe 11 mm wide.
- **Formats:** Available in a 37 mm standard size for uniforms and a reduced gala size for formal wear or compact display.
- **Material:** White enameled metal with colored enamel details.

How to use / When it’s useful

Use this cross for museum exhibits, private collections, ceremonial displays, or as a respectful commemorative item. It is not a reproduction of a current service award and should be used with awareness of military and legal rules on wearing decorations.

Quick answer: This item is primarily for collectors and display, and for authorized ceremonial use. In most cases, actual wear on active uniforms is subject to military regulations and local laws, so check authority or service rules before wearing.

Care and notes

Simple care keeps the enamel and metal in good condition and preserves the piece's historical value.

- Keep dry and store in original packaging or a soft, padded box to avoid scratches.
- Avoid abrasive cleaners; clean gently with a soft, dry cloth to protect enamel and painted details.
- Handle by the edges to prevent oils from hands damaging the finish.
- Sold with a certificate of authenticity when provided; verify the certification on delivery.
- Warning: Follow local rules about public wear of state decorations; unauthorized use may be restricted.

FAQ

Q: What is the Croce Cavaliere dell'Ordine Militare d'Italia?

A: It is a high Italian military decoration awarded for exceptional command and valor in combat. The cross symbolizes service and notable military leadership.

Q: What are the dimensions of the cross?

A: The cross measures 4 cm in diameter on the standard piece. A reduced gala version is also available for formal wear or compact display.

Q: What materials are used?

A: The decoration is made of white enameled metal with colored enamel details (green and red) for the laurel, oak and central band.

Q: Can I buy this item from Tutto Militare?

A: Yes, the product is offered through Tutto Militare as an authenticated item for collectors and display. Availability, formats, and current pricing are listed on the seller's product page.

Q: Do you ship internationally?

A: International shipping options are available; shipping methods and costs depend on destination. Check shipping information at checkout or ask customer service for details.

Q: What is the return policy?

A: Returns are accepted if the item is returned intact in its original packaging within the stated return period. Follow the seller's return instructions and contact customer service for help.

Tip: Choose the size that fits your intended use—37 mm for uniform display or the reduced gala size for formal presentation—and consider browsing related militaria and display accessories to complete your collection.
