Product overview

The Fregio Plastica Truppa 4° Reggimento Artiglieria Alpina is a molded plastic cap badge for

members, veterans, collectors and enthusiasts of the Alpine artillery corps. It is made for wearing on the traditional cappello alpino and the norvegese alpine cap, and fits display or uniform use where permitted.

Definition: a plastic troop badge representing the 4° Reggimento Artiglieria Alpina, produced in two size variants for different alpine hats. Limited quantities are available, appealing to military surplus collectors and tactical gear enthusiasts.

Main features

Durable, detailed and practical for wear or collection. This badge combines historical design elements with a lightweight construction suited for hats and displays.

- **Material:** High-quality plastic designed to hold shape and color over time.
- **Detailed design:** Eagle in flight with spread wings resting on the regimental disc (pulce reggimentale) between two trumpets above two crossed mortars.
- **Two size variants:** For cappello alpino and for norvegese alpine cap.
- **Dimensions:** Cappello alpino 8.5 cm width x 7.5 cm height; Norvegese 6 cm width x 5 cm height.
- **Easy to attach:** Lightweight shape allows quick application and removal.
- **Collector interest:** Suitable for military surplus collections, tactical displays and historical presentations.

How to use / When it’s useful

Use the badge to outfit a cappello alpino or norvegese alpine cap for ceremonies, reenactments, displays or personal collections. It is intended for visible placement on the front of the hat where the badge normally sits.

Quick answer: the badge fits two common alpine hat types and is sized accordingly for typical placement. In most cases, choose the variant that matches your hat—8.5 x 7.5 cm for cappello alpino, 6 x 5 cm for norvegese—and press into position or secure by the method used for your hat model.

Care and notes

Keep the badge looking its best with simple, low-impact care and by choosing the correct size for your hat.

- Clean with a soft damp cloth; avoid abrasive cleaners.
- Store flat to prevent bending or warping.
- Confirm hat type and measure if unsure before purchase.

FAQ

Q: What are the dimensions for the cappello alpino badge?

A: The cappello alpino variant measures 8.5 cm width x 7.5 cm height. Verify the fit on your hat before attaching.

Q: Is there a variant for the norvegese alpine cap?

A: Yes. The norvegese variant measures 6 cm width x 5 cm height, made to suit that style of alpine cap.

Q: What material is the fregio made from?

A: It is molded from high-quality plastic designed to keep its shape and color under normal use and display conditions.

Q: How do I apply or remove the badge?

A: The badge is lightweight and shaped for easy application and removal. Follow the attachment method appropriate to your hat (pins, clips or sewn backing as applicable).

Q: Is this an official regulation insignia?

A: This product is a plastic troop badge representing the 4° Reggimento Artiglieria Alpina. For official uniform rules, check unit regulations or authoritative sources within the regiment.

Q: Is this suitable for collectors?

A: Yes. The badge is of interest to collectors of military surplus and historical insignia due to its regimental design and limited availability.

Tip: Choose the correct variant (cappello alpino or norvegese) for your hat size and consider browsing related items in our military surplus and tactical gear categories to complete your display or duty ensemble.
