How to use / When it’s useful

Quick answer: Wear the ribbon on service or ceremonial uniforms to show the Stella d’Oro al Merito Sportivo CONI award. It attaches to the uniform using the chosen fixing and can be combined with other ribbons on a multi-ribbon holder.

In most cases, choose clips for frequent removal or screws for longer-term attachment on heavier fabrics. Use the slightly domed Elite variant for a more formal presentation, and the flat regular format for standard uniform regulations.

Care and notes

Keep the ribbon looking its best with simple care and by choosing the correct fixing for your uniform fabric.

- Avoid prolonged exposure to moisture and strong chemicals to protect metal details.
- Select clips for easy mounting or screws for greater stability on heavy garments.
