### Product overview

The Bottoni Metallo Dorato Esercito are gold-finish metal buttons designed for Italian Army uniforms, intended for serving Esercito personnel and licensed collectors. Definition: these are decorative and service buttons with a raised pluriarma emblem, made for use on coats, jackets,

pockets, cuffs and rigid caps.

These uniform buttons combine traditional styling and formal appearance for Officers, Non-Commissioned Officers and Volunteers. They suit military, uniform and military surplus needs where authentic appearance and regulation compliance matter.

**Main features**

Clean, traditional design with a raised pluriarma emblem and multiple size options for different uniform parts.

- **Smooth surface:** polished look for a neat uniform finish.
- **Knurled edge (bordo zigrinato):** discreet detail that enhances grip and appearance.
- **Convex shape:** gives depth and visual relief to the emblem.
- **Raised pluriarma emblem:** clear symbol of Esercito affiliation and prestige.
- **Four size variants:** suitable for coats, jacket fronts, pockets/cuffs and rigid caps.

**How to use / When it’s useful**

Use the large buttons for overcoats, medium for the front of jackets, small for breast pockets or cuffs, and the piccaglia format for rigid caps. They are useful when restoring uniforms, replacing worn buttons, or updating dress uniforms to regulation appearance.

Quick answer: choose the size that matches the garment location (coat, jacket front, pocket/cuff, or cap).
In most cases, Esercito personnel must provide their military ID at checkout or request delivery to their barracks; collectors require a license prefettizia ex art. 28 TULPS.

**Care and notes**

Basic care preserves finish and emblem detail; handle and store buttons to avoid scratches and contact with corrosive substances.

- Wipe with a soft, dry cloth; avoid abrasive cleaners or chemicals.
- Store in a dry place to prevent tarnishing of the gold finish.
- Purchase restricted: sale reserved to Esercito personnel or collectors with license prefettizia ex art. 28 TULPS.
- At checkout you must provide a copy of your military ID or indicate your barracks as the delivery address.

## FAQ

**Q:** Who can buy the Bottoni Metallo Dorato Esercito?

**A:** Sales are reserved to serving Esercito personnel and collectors who hold a license prefettizia ex art. 28 TULPS. Proof is required at purchase.

**Q:** What sizes and variants are available?

**A:** Four variants: Large for coats, Medium for jacket fronts, Small for pockets and/or cuffs, and piccaglia format for rigid caps.

**Q:** What documents are needed to complete an order?

**A:** Esercito buyers must provide a copy of their military ID or specify their caserma (barracks) as the delivery location. Collectors need the prefettizia license ex art. 28 TULPS.

**Q:** Can civilians without a license purchase these buttons?

**A:** No. Civilians can buy only if they are verified collectors with the required prefettizia license ex art. 28 TULPS.

**Q:** How should I choose the correct button for my uniform?

**A:** Match the button variant to the garment: large for overcoats, medium for jacket fronts, small for pockets/cuffs, and piccaglia for rigid caps. If unsure, check your uniform pattern or ask your unit supplier.

**Q:** Are these buttons authentic replicas or official issue?

**A:** These buttons carry the pluriarma emblem and are intended for Esercito use; purchases are controlled to ensure they go to authorized personnel or licensed collectors.

**Tip:** Choose the correct variant for the garment location (coat, jacket front, pocket/cuff, or cap) and keep a copy of the required ID or license ready to speed checkout. Browse related uniform items to complete your kit and ensure a consistent, regulation-accurate appearance.
