Product overview

The Fregio Comandante Genio Guastatori is a sewn rank insignia for the Commander of the Reggimento Genio Guastatori, intended for the ordinary uniform cap. It is for serving military personnel and qualified collectors only.

Definition: This is an embroidered commander’s badge in gold canutiglia on panno robbio, measuring 6.5 cm wide by 7.5 cm high. Suitable keywords: tactical insignia, military surplus emblem, duty uniform badge.

Main features

Designed to meet uniform appearance requirements, the badge combines traditional symbols with durable materials for regular wear on service headgear.

- **Design:** Red flaming grenade over a gladius (gladio) — a traditional engineer-sappers symbol.
- **Materials:** Embroidered in gold canutiglia on panno robbio for visual contrast and durability.
- **Size:** 6.5 cm width x 7.5 cm height, sized for the ordinary uniform cap.
- **Intended users:** Reserved for Commander of the Reggimento Genio Guastatori and authorized personnel.
- **Authenticity:** Sale requires documented proof of eligibility (see notes below).

How to use / When it’s useful

Apply the badge to the ordinary uniform cap following your unit’s dress regulations. It identifies rank and corps at a glance and maintains official appearance for duty and ceremonial use.

Quick answer: It is fitted to the uniform cap for the Commander of the Reggimento Genio Guastatori. In most cases, delivery and sale require submission of military ID or delivery to the listed barracks address; collectors need the prefectural license under art. 28 TULPS.

Care and notes

Keep the badge clean and store it flat to preserve the canutiglia stitching and panno backing.

- Avoid harsh cleaning agents; spot clean with a soft cloth and mild detergent if needed.
- Store away from direct sunlight and moisture to prevent fading or tarnish.
- Sale restricted: purchase requires a copy of military ID or proof of barracks delivery address; collectors must provide the art. 28 TULPS prefectural license.
