Product short description:

A high-quality embroidered patch honoring the 9° Reggimento d'Assalto Col Moschin. Ideal for collectors, military enthusiasts and anyone wishing to display unit support on clothing or gear.

- **Material:** Made with quality embroidery and a durable backing.
- **Design:** Detailed stitching and vivid colors that reproduce the unit insignia accurately.
- **Use:** Designed to be applied to jackets, backpacks, caps or rucksacks; suitable for collectors and everyday wear.
- **Symbol:** A wearable symbol of courage and dedication, carrying a piece of Italian military tradition.

Product description:

Product overview

The low-visibility embroidered patch for the 9° Reggimento d'Assalto Col Moschin is a tactical insignia designed for active military personnel and authorized collectors who need an authentic, discreet emblem. It suits duty uniforms, tactical kits, and military surplus collections while

preserving operational discretion.

Definition: a low-visibility, embroidered shoulder patch representing the 9° Reggimento d'Assalto Col Moschin, made to integrate with camouflage uniforms.

Main features

Carefully made to match military styling and operational needs, this patch balances visibility and discretion for tactical use.

- Central parachute with converging cords enclosing the number "9" — regimental identifier.
- Flame and right wing above the parachute — symbolic elements for ardor and mobility.
- Circular border text: "9° Reggimento d'Assalto" (top) and "Col Moschin" (bottom).
- Diameter: 8.4 cm — sized for sleeve application without reducing discretion.
- Low-visibility neutral tones to match vegetated camouflage and tactical gear.
- High-quality embroidery, designed to resist wear and typical outdoor conditions.

How to use / When it’s useful

Quick answer: apply the patch to the sleeve of a vegetated camouflage uniform for operational use or display on tactical clothing for collections. It is intended for use by authorised military personnel and verified collectors.

In most cases, the patch integrates with duty and tactical uniforms used in field operations, training, or as part of a military surplus collection. Its subdued coloring helps maintain low profile in operational settings while keeping official regimental identity.

Care and notes

Basic care preserves appearance and durability; follow unit regulations for wear. Note that sale is restricted and requires verification.

- Apply on the sleeve of vegetated camouflage as intended for best integration.
- Keep clean with gentle hand washing when attached to fabric or remove before machine washing uniforms if regulations require.
- Sale restricted: available only to serving military personnel (ID required) or authorised collectors (prefectural license required).
- Account verification and document checks are required before purchase and dispatch.

FAQ

Q: Can I buy this patch without documentation?

A: No. Sale is limited to authorised personnel or collectors. You must provide the required military

ID or the prefectural license for verification.

Q: How long does document verification take?

A: Verification is usually completed within a few working hours after receiving valid documents, but times can vary depending on case volume.

Q: Can the patch be customized?

A: No. The patch is sold only in its official configuration to preserve its symbolic and regulatory integrity.

Q: Where should the patch be applied?

A: It is designed for application on the sleeve of vegetated camouflage uniforms for tactical and operational use.

Q: What are the patch dimensions?

A: The patch is 8.4 cm in diameter, a size chosen to balance visibility and discretion on the uniform sleeve.

Q: Is the patch weather resistant?

A: Yes. It is made with high-quality embroidery intended to withstand wear and common outdoor conditions, suitable for tactical and duty use.

Tip: Choose the correct delivery option and prepare required documents before ordering; consider browsing related tactical patches and military surplus items to complete your kit or collection.
