Product short description:

Metal beret badge (Fregio Metallo Basco RISTA IEW) from the Brigata Informazioni Tattiche. Designed for collectors, reenactors and military history enthusiasts, it can be worn or displayed. The badge represents the pride and dedication of the specialized unit and serves as a tribute to tradition and professional skill.

- **Material:** Made from high-quality metal with careful finishing.
- **Use:** Intended for attachment to a beret or for display in a collection or case.
- **Design:** Elegant, finely detailed insignia that reflects unit identity.
- **Ideal for:** Collectors, historians and fans of military insignia seeking a distinctive piece.

Product description:

Product overview

The metal beret badge for the Brigata RISTA - EW is an official emblem worn by personnel of the

Comando Trasmissioni ed Informazioni of the Italian Army, based in Anzio. It is intended for military members on duty and for qualified collectors under current regulations.

Definition: a silver-toned metal beret badge representing the Brigata RISTA - EW, used for unit identification and ceremonial wear. The badge combines historical symbolism with tactical identification for military, tactical, and military surplus collectors.

Main features

Designed for durability and clear unit recognition, this beret badge features precise metalwork and weather-resistant finishing.

- **Material:** High-quality silvered metal with weather-resistant properties.
- **Design elements:** Roman gladius (silver) and four silver lightning bolts representing electronic warfare functions.
- **Finish:** Burnished silver details and three-dimensional relief for a defined appearance.
- **Attachment:** Built to be fixed to the standard beret used by Brigata RISTA - EW personnel for secure fit.
- **Size:** 5.5 cm diameter.

How to use / When it’s useful

Quick answer: attach the badge to the unit beret as part of official uniform or for display in a collector’s case. It is not a generic accessory for public sale.

In most cases, the badge is used for identification, ceremonial wear and formal duty appearance. Collectors may acquire it only with the required prefectural license; this item remains regulated and reserved for authorized use.

Care and notes

Keep the badge clean and store it dry to preserve the metal finish. Follow these practical care tips and legal notes:

- Wipe with a soft, dry cloth; avoid abrasive cleaners.
- Store in a dry place to prevent tarnishing of the silvered metal.
- Sale is regulated: purchase requires verification of service status or a valid prefectural license for collectors.
- Delivery can be arranged to the military barrack address indicated during the purchase process.

FAQ

Q: Who can buy the Brigata RISTA - EW beret badge?

A: Only active Italian Army personnel and collectors holding a valid prefectural license may purchase this badge. Public sale is not permitted.

Q: What documents are required to buy the badge?

A: Military buyers must provide official service identification or a service attestation. Collectors must present the prefectural license as required by law.

Q: How long does document verification take?

A: Verification is completed within a few working hours after receiving the required documents. You will be notified once approval is granted.

Q: Can I collect the badge in person?

A: Yes, collection is possible if pickup is arranged at the military barrack address provided when placing the order and after verification is complete.

Q: What are the badge dimensions and material?

A: The beret badge measures 5.5 cm and is made of silvered metal with burnished detailing for a three-dimensional look.

Q: Is this badge suitable for tactical or daily duty wear?

A: The badge is designed for official uniform wear, ceremonies and identification. It is robust for regular duty use but must be used according to unit regulations.

Tip: Choose the correct variant and size for your unit and service requirements. Check related insignia and uniform items to complete your duty or collector’s display without rushing the verification steps.
