- **Functionality:** Advanced features for accurate, reliable performance in varied operational contexts.
- **Durability:** Sturdy build to withstand regular use.
- **Ease of use:** Intuitive controls and straightforward operation for quick adoption.

Product description:

Product overview

The Pulce Numerale 82 Fanteria Arresto is a small metal numeral disk designed for the beret badge (fregio basco) of the 82° Fanteria d'Arresto Alpi. It is for serving or former members of the

unit and for authorized collectors who need an authentic replacement or addition to a duty or ceremonial beret.

Definition: the Pulce Numerale 82 Fanteria Arresto is a 0.9 cm burnished silver-finish metal disk stamped with the numeral 82, made to fit the beret number holder. This item is relevant for tactical, military surplus, and duty gear collectors and users.

Main features

Compact, purpose-built design with authentic visual details and secure fastening.

- **Material:** burnished silver-finish metal disk for a traditional look.
- **Size:** 0.9 cm diameter — discreet and period-correct.
- **Numeral:** clear "82" marking to match the 82° Fanteria d'Arresto Alpi badge.
- **Fastening:** two lateral tabs insert into the beret number holder and are folded back for a secure fit.
- **Variants:** silver background with black stamping, or green background with gold numeral for khaki berets.
- **Availability:** limited stock due to demand and regulated distribution.

How to use / When it’s useful

Quick answer: insert the two tabs into the holes of the beret number holder and fold the tabs back to lock the pulce numerale in place. The small size keeps the badge tidy while clearly showing unit affiliation.

In most cases, this pulce is used on ceremonial or duty berets by authorized personnel; it is also suitable for authorized restoration of historic uniforms or for verified collectors of military surplus and tactical gear. Purchase requires documentation of service or authorization.

Care and notes

Basic care preserves finish and fit; follow these practical notes when handling and storing the pulce numerale.

- Clean gently with a soft, dry cloth; avoid abrasive cleaners or strong chemicals.
- Handle the folding tabs carefully to avoid bending or weakening them.
- Store in a small padded container to prevent scratches or loss—item is small (0.9 cm).
- Purchase is restricted: a copy of the service card or proof of authorization is required.

FAQ

Q: What are the exact dimensions of the Pulce Numerale 82 Fanteria Arresto?

A: The disk measures 0.9 cm in diameter. It is small by design to fit discreetly on the beret badge.

Q: Which variants are available?

A: Two variants: a silver background with black marking, and a green background with a gold numeral used on khaki berets.

Q: How is the pulce attached to the beret badge?

A: Insert the two lateral tabs into the holes of the beret number holder, then fold the tabs back to secure the disk in place.

Q: Who can buy this item?

A: Sales are reserved to authorized members or verified collectors. You must provide a copy of your service card or other proof of authorization when ordering.

Q: Is the pulce intended for everyday wear or display?

A: It is suitable for ceremonial and duty use when authorized, and for verified restoration or display in collections of military surplus and tactical gear.

Q: Is this product always in stock?

A: No. Availability is limited and demand can be high. Orders may be subject to stock levels and verification procedures.

Tip: Choose the variant that matches your beret color (silver on standard berets, green with gold numeral for khaki berets) and have your authorization documents ready to speed processing. Check related beret badges and mounting accessories to complete the look.
