Product overview

The Scudetto Supporto Logistico Fo.Ter. is a shield-shaped unit badge designed for Italian Army personnel and collectors of military surplus. It is intended to be worn on the ordinary Army

uniform to identify logistic support affiliation and service pride.

Definition: a durable plastic scudetto mounted on khaki cloth, featuring traditional insignia and sized for standard uniform placement.

Main features

Clean, durable construction with recognizable symbolism and compact dimensions suitable for uniform use or display.

- **Material:** resilient plastic mounted on khaki cloth for long-lasting wear.
- **Design:** shield shape with a yellow border, showing Atlas in the upper section and an Ionic-style colonnade on a blue lower field.
- **Colors:** khaki, yellow and light blue as per traditional pattern.
- **Size:** 6.5 cm wide x 7 cm high — compact and not bulky on the uniform.
- **Application:** lightweight and flexible, suitable to be sewn or otherwise attached to the uniform.
- **Use cases:** ideal for duty uniforms, tactical collections, and military surplus displays.

How to use / When it’s useful

Attach the scudetto to the ordinary uniform by sewing it in place or applying it using your unit’s standard method of attachment. Quick answer: sew it on or fix it according to your uniform rules.

Wear it to indicate logistic support role, for formal duty if regulations permit, or keep it as part of a military surplus collection. In most cases, it is used to show unit affiliation or as a collectible item for reenactors and tactical gear enthusiasts.

Care and notes

Basic care helps keep the scudetto looking its best while respecting uniform maintenance rules.

- Follow your uniform cleaning instructions when the scudetto is attached.
- Avoid harsh chemicals that could affect the plastic or cloth backing.
- Sew or fasten securely to prevent loss during regular use.
- Limited availability: stock may be low due to demand among service members and collectors.

FAQ

Q: What are the scudetto dimensions?

A: The badge measures 6.5 cm wide by 7 cm high. It is compact for standard uniform use without adding bulk.

Q: What material is the scudetto made of?

A: It is made of durable plastic mounted on khaki cloth, designed to withstand normal wear on a uniform.

Q: How can I attach the scudetto to a uniform?

A: The scudetto can be sewn in place or attached using your unit’s normal method. Quick answer: sew or affix it following your uniform regulations.

Q: What does the design represent?

A: The upper section shows Atlas holding the globe (symbolizing strength and responsibility) and the lower section shows an Ionic-style colonnade (a nod to classic tradition).

Q: Is the scudetto available in other colors?

A: No. This scudetto is produced in the traditional khaki, yellow and light blue color scheme only.

Q: Is the scudetto readily available?

A: Availability is limited and demand is high among military personnel and collectors. In most cases, stock can run low, so consider ordering soon.

Tip: Choose the scudetto if you want an authentic, compact badge for duty or collection; check your uniform rules for attachment and browse related military surplus and tactical items to complete your set.
