How to use / When it’s useful

Quick answer: Wear the badge on a beret to show unit affiliation or add it to a display of tactical and military surplus items. Check how your beret accepts badges, as attachment methods can vary.

In most cases, the emblem is used by service members, veterans, or collectors who want a recognizable Fanteria Corazzata symbol. It also works well for shop displays, reenactment kits, or as part of a duty gear collection.

Care and notes

Basic care keeps the metal finish in good condition and preserves the emblem’s detail.

- Wipe with a soft, dry cloth to remove dust; avoid abrasive cleaners.
- Keep dry and store in a cool place to limit tarnishing over time.
- Check how you will attach the badge to your beret—mounting hardware or methods may differ.
- Limited availability: this item is produced in small quantities, so availability can change.

FAQ

Q: What are the badge dimensions?

A: The badge measures 5.5 cm in diameter. This size is chosen to be clearly visible on standard berets without being bulky.

Q: What material is the fregio made of?

A: It is made from silvered, browned metal. The finish is intended to be durable and maintain its appearance with proper care.

Q: Can the badge be personalized?

A: Yes. There is a small round field above the design where a battalion number can be inserted to personalize the badge.

Q: How is the badge attached to a beret?

A: Attachment methods for berets vary by type and personal preference. Verify the mounting style on your beret before fitting the badge.

Q: Is this an official uniform item?

A: This listing describes a metal beret badge depicting Fanteria Corazzata symbols. For official uniform use, consult current unit or service regulations to confirm authorization.

Q: Is the fregio durable for regular wear?

A: The metal construction is built for durability, but regular exposure to moisture or harsh chemicals can affect the finish. Follow the care notes for best results.

Tip: Choose the correct badge variant and check beret attachment compatibility before purchasing; browse related tactical and military surplus items to complete your display or kit.
